Schools Will Add Curriculum Director

Second Administrator Sought; Expand Staff For Next Year by 17

Future employment of two administrators and the addition of 17 other staff members were authorized by the Granite City school board Monday night.

The position of assistant to the superintendent, previously held by Supt. Bob J. Davis, will be filled and applications are to be accepted from interested persons in the Granite City school system.

The other administrative vacancy is a new position of curriculum coordinator created Monday night. The coordinator will be responsible directly to Davis for uniting and developing courses at all grade levels, kindergarten through twelfth grade.

The 17 new educational posts planned for the 1967-68 school year include five at Granite City high school and four in the special education division. Some of the positions also but were not filled due to unavailability of qualified applicants.

New GCHS faculty jobs listed are English teacher, girls' physical education, boys' physical education, counselor and assistant band instructor. Both PE instructors also are to teach driver training.

Therapist, Social Worker

The special education staff expansion is to include another elementary EMH (educationally handicapped) teacher, a speech therapist, a social worker and a teacher of the maladjusted.

Also planned are an additional remedial reading teacher, Nidringhaus and Nemecki, second grade instructors, a maintenance-and-repair assistant and a Coolidge junior high school teacher, a half-time assistant principal, a "block time" Spanish teacher and a mathematics instructor are to be added.

High School Remodeling

In other business, the board approved encumbrances for construction and maintenance funds this spring and proceeding with remodeling of the old Granite City high school cafeteria, establishment of another home economics area at GCHS, and initial remodeling of older schools to comply with the state school safety code.

The board approved seeking \$15,621 in state planning and developmental funds in preparing the 1967-68 non-graded instructional program.

SU-SW was authorized to send student teachers to local EMH summer classes.

It was noted that progress is being made in obtaining court support of efforts to decrease student absenteeism.

Furniture Store Safe Robbed; Boy Caught in Store

An undetermined amount of money and merchandise were stolen in a burglary at the Franklin Union furniture store, 19th street and Delmar avenue, where a safe was pried, it was reported by police today.

Store personnel said an inventory will be required before the amount of loss is determined.

Entry was made through a garage on the west side at the rear of the building by prying a slide bar.

Police found a 16-year-old juvenile hiding in the stock room of the Western Auto store, 20th street and Grand avenue, at 8:45 p.m. Tuesday after the proprietor, Lyle Tatum, noticed that several guns were not on a rack inside the store.

Entry was gained by breaking an alley window to an attached house, crawling between two walls and onto the ceiling of the office where he dropped down into the store room.

In the boy's possession were five shotguns, three rifles, a zip gun, a .38 Smith & Wesson, five sets of keys, a bolt cutter which he said belonged to his father and a wallet which did not belong to him.

School Board Filing Period Ends Saturday

As the school filing period nears an end, Henry J. Beadle, 4732 Vincent street, filed petitions for election to the Granite City Board of Education Wednesday, increasing the field to five candidates for three posts on the board, including one for a one-year unexpired term.

There were no new filings for the Venice and Madison school board elections, where only incumbents have filed petitions. The filing periods for the April 8 elections will close at noon Saturday.

Bid Call April 11 For Venice Park District Building

The Venice park board Tuesday night approved a resolution calling bids for construction of its new office and community building on Broadway at Lee Park in Venice.

Bids will be opened Tuesday, April 11, and if a satisfactory bid is received, construction will start almost immediately, according to Marion Groshong, park superintendent.

The building will be of brick, will be of two-level construction at one end and one story at the other. It will house three offices, a meeting room, community room with adjoining kitchen, rest room facilities, solarium and recreation room.

Space for the building will be available beginning tomorrow at the offices of Virgil Dulgeroff, 2021 Edison avenue, architect.

To Cost \$150,000

Construction will be financed out of a \$225,000 bond issue. Cost of the building is estimated at \$150,000.

The park district purchased the site of the Miller Iron & Mill Co. at 2021 Broadway for \$50,000 which also was paid out of proceeds of the bond sale.

Scrap metal on the grounds has been removed and the foundation poured, Groshong said. Venice residents will be permitted to take any part of the old frame building on the premises of the superintendent said. Any part of the building remaining will be burned by the Venice Fire Department.

The structure was cleaned off so that it will be ready for the contractor immediately upon award of a contract.

Construction should take from seven to eight months.

Hydrogen Sulfide Far Below Maximum

Readings Cover 50-Day Period at East Granite Monitoring Station

Hydrogen sulfide in the air here is below the acceptable maximum set by most pollution authorities, it was reported Monday night to the Granite City Air Pollution Control Board.

Prof. Erwin C. Hoelscher, technical secretary, reported on readings taken at the city's hydrogen sulfide monitoring station at Webster school in East Granite and said the range was .9 to 4.7 parts per billion, compared to the acceptable maximum of 30 parts per billion.

"Point discoloration does not occur," he said, "until about 50 parts per billion, and the concentration indicated over this period was satisfactory."

The period recorded was last November 15 to 16.

Readings are recorded on tapes which must be developed, and the records are transcribed once a month, the city's hydrogen sulfide station is located in the district in maintaining the monitoring station.

Henry Birniece, chairman of the board, said constant watch will be continued at the station.

The board accepted a proposed program of Granite City Steel Co. which outlines changes and modernization steps needed for compliance with the city air pollution control ordinance. The program was approved, subject to changes should the city clean air law be made more stringent.

The double backup system at the blast furnace plant of Granite City Steel is to be reviewed again by the board at its May 15 meeting, since the firm's monitoring system has not yet been delivered.

Hoelscher reported on the agreement with Rely Tar & Chemical Corp. in which the firm will convert boilers from coal to natural gas with oil standby. The gas-oil equipment has been purchased with delivery promised by May 1.

Site, Cost, Uncertainties Cloud Jr. College Outlook

(First of four articles)

The case for creation of an eight-county junior college district in a special election April 1 hinges on numerous elements: program, site and financing. The case for the district is clouded by uncertainties of site, cost and financing.

The cost is the easiest of these factors to pinpoint. The ballot will list a 15-cent tax rate per \$100 assessed valuation for the education fund and a 10-cent rate for the building fund.

The 52-cent rate, applied to the \$1,125,000 estimated total assessed valuation, would produce \$2,812,500 in real estate and personal property taxes annually.

Of this amount, Quad-Cityans would pay \$650,000 based on a \$260 million assessment.

Such authority would grow as the assessment base grows. New valuation figures show there will be an assessment rise of more than \$3 million—in the Granite City community unit candidates we chose. He said school system alone—above the assessment figures in the preceding paragraph.

The Lewis & Clark Educational Foundation, the group formed to develop the junior college plan, estimates that initially the district would utilize a 9.92-cent rate, including 5.75 cents for operating expenses and 4.17 cent for capital outlay and temporary rentals.

Based on \$1,125,000 and \$260 million assessments, 9.92 cents would produce \$1,113,000 a year in the district, including \$267,000 in the Quad-Cities.

Maximum tax rates for such junior colleges under present state law are 75 cents for education and 10 cents for building and grounds.

This would produce \$9,250 a year from the district, including \$2,210,000 from the Quad-Cities.

Tuition, State Funds

In addition to property taxes, the junior college could charge tuition to collect up to one-third of its operating costs, a 15-cent yearly charge is proposed.

The state has pledged to provide 50% of operating costs (\$11.50 for each semester hour). It would contribute 75% (Continued on page 4, col. 1)

N & W to Install Maryville Gates By June Deadline

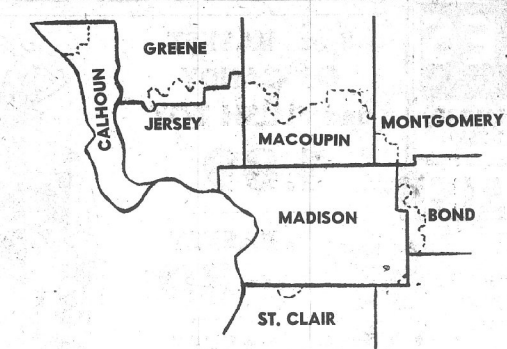

Installation of automatic crossing gates at the Maryville road crossing at Mitchell will be completed by the deadline date of June 22 specified by the Illinois Commerce Commission in ordering the crossing protection, a spokesman for the Norfolk & Western Railroad said the Press-Record yesterday.

R. D. Pamperl, public projects engineer of the railroad, said that plans for installation of the gates and other equipment have been completed and approved by the ICC and the Illinois State Highway Department.

The engineering department now is awaiting approval by the New York Central and the Gulf Mobile & Ohio of plans for installation of the electrical circuit that will activate the equipment for their lines. As soon as this approval is received, Pamperl said, installation of the equipment will begin.

"I can't say just how soon work will start, but we have no doubt that we will complete all the work before the deadline date set by the commerce commission," Pamperl said.

The installation of crossing protection was ordered by the Illinois Commerce Commission following hearings prompted by an organization of Mitchell area residents. The group demanded action following a fatal accident on the crossing in which a mother and her nine-year-old daughter were killed.

PROPOSED JUNIOR COLLEGE DISTRICT boundaries. The territory to be included in a special election April 1 on creating the district includes most of Madison, Calhoun and Jersey counties, a large section of Macoupin county and small areas of Greene, Montgomery, Bond and St. Clair counties.

Labor Okays 20 Area Candidates; Pledges Backing

Twenty candidates seeking office in April elections in Granite City and Nemecki township were endorsed last night by the Tri-City Trades and Labor Council which announced a new policy financial support for its approved candidates.

The council voted endorsements in line with recommendations of its AFL-CIO Political Action Committee. The committee interviewed all candidates on March 4.

Edwin Reiske, council president, said the plan to support his candidates financially "is an entirely new policy this year. Always in the past we have endorsed the candidates."

Reiske noted, "we plan to spend a considerable amount of money in campaign activities supporting the candidates we chose. He said much of the campaign effort will be in advertisements in behalf of the endorsed candidates."

Some incumbents dropped out of the race. The council withheld endorsements carried out by the city attorney. (Continued on page 8, col. 6)

Hospital Auxiliary Pledges \$150,000 to Fund Campaign

A pledge of \$150,000, the first receipts from coffee shop, gift major one of St. Elizabeth Hospital expansion fund campaign, which will be held by our Auxiliary today, Mrs. Helen Bergfield, president of the Auxiliary, said.

A signed pledge card completed in the campaign office at the hospital campaign officials at the community dinner Monday at Granite City high school.

Mrs. Bergfield and the other officers of Auxiliary, Mrs. Mabel Gaston, first vice-president, Mrs. Grace Henrichs, second vice-president, Miss Ronella Kimmick, recording secretary, Mrs. Eliza Arguelan, Mrs. Vera Carey, Mrs. Kelly, treasurer, and Mrs. Frances Anita Brown, coffee shop treasurer, said the contribution is a treasury pledge and not an assessment on members.

The auxiliary pledges to increase the total contributions to date to \$150,000.

Local Bankers Get Hospital Drive Advance Gifts Chairman, Treasurer Posts

Fischer attended the University of Chicago, and he and his wife, Goldie, have a son, James R. Fischer of Boston, and two daughters, Mrs. Nancy Birch of St. Louis, and Mrs. Sally Baker of Kansas City, Mo.

Bank President Ernest Karandjef, a native Granite Cityan, will have the responsibility of auditing deposits of all cash and pledges received during the campaign.

Commenting on the drive, he said, "The current campaign for funds for our hospital is to fill a need that has been quite thoroughly demonstrated, as citizens, we must provide adequate hospital facilities for our community."

He added that the four area banks, American National, First Granite City National, First National Bank in Madison and Granite City Trust & Savings, have been selected as depositories for campaign funds.

Karandjef resides at 2607 Cleveland blvd. He and his Community Concerts Association, Neddinghaus school PTA, Mrs. Christine Beck, president of the Tri-City Chamber of Commerce, the Tri-City Chapter, a national Red Cross chapter, the graduate of local schools and Granite City Scholarship Foundation, as well as the American Bankers Association.

City's April 4th Election Mixup Still Unsolved

Alderman Says Mayor Incorrect, Unfair in Report

Inaccuracy and partisanship in Mayor Partney's monthly "report to citizens" Monday were charged this week by Sixth Ward Alderman Gerald Parmley.

The mayor said the city applied an at-large alderman election order on a motion by Alderman Nomm and second by Parmley. Actually, the appeal motion was by Alderman Johnson and the second was by Nomm, Parmley pointed out.

He said the mayor is taking no responsibility for the appeal, he signed the eight-word redistricting (later ruled improper) rather than allowing it to become law without his signature, Parmley asserted.

There can be no bonafide difference of opinion regarding the merits of at-large and ward representation, Parmley said, adding that the mayor failed to mention in his support of city-wide voting that a group of at-large candidates favorable to the mayor filed several days after the court ruling was announced.

Favors Ward Concept

Parmley opposes the at-large plan, not to perpetuate himself in office, but rather because of the widespread belief among ward residents that the court procedure was invalid, he said. Also, Parmley believes the city government functions more effectively when taxpayers have specific council members responsible for municipal services in their area.

The alderman also disagreed with Mayor Partney's inference that the appeal court is being "bought" by taxpayers, who filed the appeal.

The council withheld endorsements carried out by the city attorney. (Continued on page 4, col. 8)

Without Opposition?

If the "at-large" and the "ward" by ward" filings are discarded, 10 candidates will be out of the running, and several incumbent aldermen will be without opposition—Clyde Boyd in the Third Ward, Walter Nomm in Fifth and Gerald Parmley in the Sixth.

City Atty. Allen commented: "The petitions mentioning both a ward and at-large are neither fish nor foul, and I am now checking on them. I am working from a list provided by the clerk and not from the petitions themselves."

An unfortunate thing is that whatever decision is made on the names included or excluded is sure to be attributed to political motivation. Actually, personal opinion should have no part in this. I understand some of the aldermen are advancing the case for at-large, and some are shown on the ballot; their personal preference cannot legally be among the factors given consideration."

Hastening Appeal

Allen said he has been asked (Continued on page 8, col. 1)

Over 1000 Geese—Going North—Land To Feed in Field

More than 1000 Canadian geese stopped over in the Quad-City area Tuesday afternoon in a field east of old Lakeside Airport to feed in a grain field of their traditional spring route to the north.

Mrs. J. F. Lissor, Rural Route One, who lives across a country road from the field, noticed the first flock about 2:30 p.m. The geese remained about an hour and took off. The second contingent arrived about 4:15 p.m. "It was interesting and noisy," she commented.

After the first flock arrived and departed, she watched the second flock closely. "They had advanced scouts out, and while the geese were feeding, two or three hovered overhead, just like guards."

"Pretty soon the guards came in to feed and two others took to the air and replaced them in the air," she observed.

"Maybe their flight is a sign of early spring," she added.

Lissor recalled there were stopovers at the same field last fall by the geese as they were heading south.

Woman Uses Wrong Check Book, Caught as Forger

A St. Louis woman who tried to cash a check in Granite City formed a bank official of the Monday afternoon was caught through an "it's a small world" situation.

Janet Elizabeth Hager, 34, of 2640 East 24th street, who supervised the beauty shop and patient grooming service at St. Elizabeth Hospital for the past three years, died at 7:25 p.m. Monday at Barnes Hospital, St. Louis.

In ill-health since October, Mrs. Lynch was a patient at St. Elizabeth Hospital from Feb. 17 to Feb. 23, when she was transferred to Finnerlin Desloge Hospital, St. Louis. She was admitted the following day to the Intensive Care Center at Barnes Hospital. Death was due to cerebral aneurysm.

Mrs. Lynch, a beautician, had been in charge of the local hospital's beauty shop and confined patients grooming service since the project was taken over by the Hospital Auxiliary on Feb. 10, 1964.

Born in Pinckneyville, Ill., Mrs. Lynch had resided here 16 years. She was a member of the Mitchell Presbyterian Church and the Public Relations Committee of St. Elizabeth Hospital.

Surviving are her husband, William Lynch; a daughter, Cheryl, 12 years, and a son, Robert Neal (Robbie) Lynch, eight years; her mother, Mrs. Bertha Bicham of Pinckneyville; five brothers, Russell Bicham of Long Island, N. Y., Elvis Bicham of Wilmington, Ill., Leroy Bicham of Pinckneyville, and Glen and Gerald Bicham, both of Granite City; and four sisters, Mrs. Irene Schmidt and Mrs. Lois Jenkel, both of Pinckneyville. Mrs. Velma Hopp of East St. Louis and Mrs. Caroline Jewel of Monmouth, Ill.

Funeral services were held today at the Mitchell Presbyterian Church. Details are given elsewhere in this issue.

Mrs. Kuhrik immediately informed a bank official of the oddity, and police were called. The Hager woman was taken into custody while standing on the corner waiting for a bus. She was taken to the bank where she was identified by Mrs. Kuhrik. The daughter, employed at Jewish Hospital, St. Louis, had previously reported to St. Louis police that her checkbook was lost or stolen.

The Hager woman was charged with forgery. She waived preliminary hearing Tuesday and was bound over to the Madison county grand jury by Magistrate Mateosian, who set cash bail at \$446.

She was released, but not before asking the judge if he would accept a check.

Thieves Take 2 Wigs; Loot Store, Offices

Theft of two black wigs and 80 cents in coins from Stanley's Beauty Shop, 2034 Grand avenue, was reported Monday afternoon to police. Entry was gained by breaking a glass in the rear door.

Loot, including typewriters, radios and even a coffee pot were removed from offices in the TriCor Medical building but were left in the hallway as the thieves apparently were frightened off, it was reported to police Monday.

All offices, including those of doctors and hospital staffers, as well as a pharmacy were forced open and looted. An unknown number of blank checks belonging to St. Elizabeth Hospital's Auxiliary were taken.

The building at 21st street and Madison avenue was entered by forcing a rear door.

Burglars tore a hole in the roof at Schermer's Ace Hardware store, 2320 Pontoon road, to steal power tools, food blenders and cash. It was reported Monday No value was placed on the loot. The burglars carried off the items through a rear door.

Father of Local Man Buried in Alabama

Funeral services were held this week in Alexander City, Ala., for John W. Tankersley, 88, of that community, who died following a heart attack at 9:30 p.m. Friday. He was the father of J. T. Tankersley, 3708 Pontoon road.

Mr. Tankersley had entered the hospital Jan. 8. His wife, Emily, also died of a heart attack March 18, 1966. His son, who had left here early Friday evening to spend a week's vacation with his father, was joined in Alexander City by his wife and children on Saturday.

Interfund School Loans Voted; No Tax Borrowing

The 1966-67 Granite City school budget indicated borrowing by tax anticipation warrants was a probability this spring, but this will be avoided through inter-fund loans.

Under a plan approved by the school board Monday night, \$280,000 will be borrowed from the building fund, with \$200,000 going to the education fund, \$80,000 for transportation and \$20,000 to the municipal retirement fund.

"With the final settlement received from John Maers, county collector, on March 3, tax collections for the 1966-67 year against the tax levy of 1965 are now complete," Acting Comptroller Victor G. Anderson explained.

90% Tax Collection
"Total tax receipts amounted to \$4,531,270, as compared to a 1965 tax extension by the county clerk of \$4,696,576. As previously reported, the additional sum of \$50,000 was received from 1964 taxes.

"Additional cash will be needed in the transportation fund about April 10, the retirement fund May 1 and the education fund June 1.

"While the many variable factors prevent exact documentation of cash needs, it is anticipated they will not exceed \$280,000. "In the current year a substantial cash balance is available in the building fund. The bulk of this has been or will be obligated, but actual expenditure of a major portion will not take place until after the fiscal year ends June 30.

No Interest Costs
"The school board makes provision for interfund loans with the restriction that they be repaid within a one-year period. The procedure will eliminate the need for warrants and the resultant interest expense."

Anderson also related that while the school tax rate for this spring's collection will increase from \$2.481 to \$2.68, it had been estimated that the total would be \$2.76.

"The budget used \$194,500,000 as the estimated assessed value, compared to \$191,852,598 a year ago, and described the estimate as conservative.

\$261 Million Valuation
"Tax rates will be lower than expected because the assessment actually has risen to \$202,641,157."

Figuring 4.62% collection losses and costs, the new rates are \$1.628 (\$1.415 a year ago) for education, 34.14 cents (35.86) for bonds and interest, 24.1 cents (24.53) building fund, 6.38 cents (6.97) for transportation, 8.24 cents (5.55) for retirement and none (2.74 cents) for junior college tuition.

Levy totals are \$4,468,908 for 1966-67 and \$5,113,515 for 1966-67.

Junior High Night Friday at Local YMCA

Friday will be Junior High Night at the local YMCA. The youth program staff has planned a dance with music being provided by "Rich Rodsire and the Raging Seas" in the "Teen Town" from 7:30 to 10:30 p.m. Pool and table tennis facilities also will be available. Admission will be 50 cents per person. Only seventh, eighth and ninth graders will be admitted. Six prizes, "Y" memberships will be given away during the dance.

Mrs. Sophie Parker Dies This Afternoon

Mrs. Sophie Parker, 2316 Anchorage Homes, died suddenly at 12:15 p.m. today at St. Elizabeth Hospital, following an apparent heart attack. She had been taken to the hospital by ambulance four hours after becoming ill at home. Active in several local organizations, Mrs. Parker and her husband, the late William Parker sr., were former owners of the funeral establishments in Granite City and Madison. Survivors include two sons, William Parker jr. of St. Petersburg, Fla., and Harry Parker of Denver, Colo.; and three daughters, Mrs. Ross (Sadie) Hogan, Mrs. Rose Segedy, both of Granite City, and Mrs. Dorothy Fanning of Madison. Funeral arrangements are pending at Davis Funeral Home. Friends may call TR 7-0120 for details.

Wilson Park Easter Egg Hunt to be Held March 25

The fourth annual "Easter Egg Hunt" to be sponsored by the Granite City park district will be held at 10:30 a.m. Saturday, March 25, in Wilson Park, it was announced today by Park Supt. Harold Brown.

Hunting for foil-wrapped eggs is restricted to pre-school age, kindergarten and first and second grade youngsters, who reside within the park district boundaries, Brown said. Several hundred children have participated in the hunt each of the past three years.

Prizes of plush Easter Bunnies and large chocolate eggs and rabbits will be given the child who finds the most eggs in the age divisions. Top prize in each age group will go to the boy or girl who discovers the traditional "golden egg."

Other awards will be presented to the girl and boy who collects the most eggs. Only one prize may be won by the same child, Supt. Brown said. He pointed out that participants may keep all the eggs they collect and those who are unlucky will be given a candy egg.

Youngsters are to have their own baskets, the park official commented, adding that parents and older brothers and sisters again are being requested to refrain from helping the younger children. Starting at 10:30 a.m., March 25, pre-schoolers and kindergarten pupils will meet at the Wilson Park softball diamond on State street; first graders in Area 1 on the Benton street side of Wilson Park; and second grade students at Area 8 near 28th and State streets, Brown said.

George Frees, 76, Dies

George M. Frees, 76, of 316 West F street, Belleville, was pronounced dead upon arrival at Belleville Memorial Hospital at 8:35 a.m. Tuesday after he was

suddenly stricken at home.

Among the survivors are his wife, Mrs. Carrie Frees, and a nephew, Donald Frees of Grun- ite City. Funeral arrangements are incomplete.

MORE ABOUT Site Cost

of approved construction projects through 1970, and \$600,000 afterward, it sufficient funds to do so are provided by the state legislature.

Authority would be shared by the Illinois Junior College Board and by a seven-member board elected at a second election, if the April 1 vote is favorable on creation of the district.

One to Three Campuses
County School Supt. Wilbur R. Tripp, head of the Lewis & Clark Educational Foundation, initially favored a single junior college campus in the vicinity of Interstate Route 270 and Highway 111, noting that this would provide highway access from the Quad-Cities and Alton, the two largest population centers.

As the planning proceeded and as additional territory was added to the proposed district to the north of Madison county, a three-campus plan evolved—the Quad-Cities, Alton and Collinsville-Highland area.

Recent discussions have indicated that only one campus, possibly at Alton, would be developed immediately, with the other two following. Speculation has centered about the former Shurtzoff College, now a Southern Illinois University center, with space rented to enable classes to be offered this fall.

Actual site decisions would be made by the board, membership of which is impossible to predict at this stage. The board probably would be guided to an extent by the 14-page feasibility study prepared by the foundation, and by the 12-page report of the Illinois Junior College Board.

Territory Included
Boundaries to be used in the April 1 election are as follows:

All of Madison county except two square miles in the southeast corner which are part of the Breeze district of Clinton county.

The 24-square-mile area of the Highland school district extending into Bond county, and the 15-square-mile section of the same district extending north into Montgomery county.

A 12-square-mile part of the Collinsville school system extending south into St. Clair county.

All of Calhoun county except a 23-square-mile area of Pike county district No. 3.

All of Jersey county except a

two-square-mile section of Green county district No. 18.

All of Macoupin county south of the Carlinville school district.

A 28-square-mile area of Madison county served by Macoupin county district No. 5.

Twenty-two square miles in the southeast corner of Greene county served by Jersey county district No. 1.

East St. Louis could Annex

Concern was expressed publicly last week that East St. Louis might annex to the Lewis & Clark junior college district if it formed April 1.

East St. Louis, with a potentially low enrollment but a comparatively low tax base, has not committed itself to forming a separate junior college district. It is an adjacent junior college system through a majority vote in the area seeking annexation or through a petition signed by two-thirds of the East St. Louis voters.

Counting only those areas currently within the proposed boundaries, population is estimated at 280,000, which is believed likely to grow to 370,000 by 1980.

A survey taken by the foundation indicated that 35% of 3200 adults interviewed would enroll in an education program if a community college was established, 84% want their children to attend college and 75% favor creating a junior college. No costs or other details were supplied to those who were questioned.

Enrollment Estimates
Based on a present public high school enrollment totaling 21,000 in the proposed district, and using several accepted methods of estimating how many would enroll in the junior college, the number has been projected as 1200 to 1700 in 1969, possibly 2000 in the years 1972 to 1975, and 2000 to 3000 students by 1977.

Efficient operating size of a junior college campus was described as 4000 to 5000 by a representative of the state junior college board in a conference with newsmen last month.

Commenting on the plan for three attendance centers, the junior college board staff said in its formal report that "the tri-campus idea for the proposed geographic size of 1700 square miles and the potential number of persons to be served."

"However, it is the further recommendation of the staff that the elected board when it becomes a reality, thoroughly explore all possibilities, consider the expenditures of funds and be confident of the number to be served before launching more than one campus."

Commenting on the plan for three attendance centers, the junior college board staff said in its formal report that "the tri-campus idea for the proposed geographic size of 1700 square miles and the potential number of persons to be served."

Distance, Cost Policies
The state board takes the position that local students are hampered in continuing their education beyond high school because of cost of attendance, restrictive admission policies, limited curricula other than baccalaureate programs, and commuting distance between home and classrooms.

With 47% of the 1966 high school graduates in the eight-county area continuing their education past the twelfth grade, compared to 39% in 1962, the state board projects increases to 50% by 1969, 55% by 1974 and 58% by 1977.

Under the "master plan" as administered by the Illinois Board of Higher Education, campuses such as SIU-SW are being encouraged to accept only the top 50% of high school graduating classes (lower 50% of graduates qualify if they pass the entrance examination) and eventually to concentrate on serving juniors, seniors and graduate students.

The extent to which the General Assembly will accept recommendations of the higher education boards remains to be seen.

SIU-SW Leveling Off
SIU-SW enrollment has leveled off at a figure lower than predicted, and additional students could be handled only at the main campus and both the Alton and East St. Louis centers were put to full use.

Differing estimates have been given as to future enrollment trends and the probable demand for additional college facilities in Illinois.

The junior college program has made considerable headway in other areas of the state. 26 districts at latest count—creating financial and manpower competition for both public schools and state universities.

Illinois Junior College Board funds for the 1967-68 biennium are proposed as \$150 million for construction and \$44 million for operations, and these figures are likely to grow in future years.

With an extra \$460 million sought for all state-supported higher education in the next two years, and other state departments also seeking budget increases, it was estimated this week that additional four-cent sales tax would be needed to finance all the spending proposals.

SOCIETY

Taste Tease for Madison Club

A "taste tease" highlighted a monthly Madison Junior Service club meeting Tuesday evening at the Madison recreation center.

Miss Jeanette Trijan presided. Mrs. DeLoyle Rhoads read correspondence, a point review was given by Mrs. Delores Gasho, and a financial report was given by Mrs. Judy Donaldson. Thank you notes were received from flower recipients and from families assisted by the club during a recent fire.

Hostesses for the evening were Mrs. Jean Voegeli and Mrs. Rhoads. The tables were decorated in keeping with St. Patrick's Day. Green top hats centered the tables, an art cup on a green shamrock was at each place setting. The head table was adorned with an appropriate floral centerpiece.

Each member made her favorite dish and "sold" tastes of the dish to those present. A cookbook will be prepared from these recipes and others near the close of the year.

Projects for future dates were discussed, with a note made of a federation dance at the Army Depot and of the club's annual dance at the Polish Hall April 1. Tickets are being sold by the members and will be sold at the door.

Mrs. Voloski gave a final report on March of Dimes work by members of the club. The next meeting will be held April 11 at the Madison recreation center.

Those attending were Mrs. Rita Lybarger, Mrs. June Barham, Mrs. Julia Voloski, Mrs. Marcella Obranovich, Mrs. Billie Barworth, Mrs. Doris Peterson and guests, Mrs. Elvera Stagner, Mrs. Dorothy Smith, Mrs. Elsa Little, Mrs. Fay Little, Mrs. Ruth Bevil, Mrs. Ella Bevil, Mrs. Penny Walter, Mrs. Esther Peterson, Mrs. Rose Mary Paterson, Mrs. Beatrice Voegeli, Miss Teresa Rhoads and sustaining members, Mrs. Mary Stanfill and Mrs. Helen Daley.

Other members present were Mesdames Helen Bisto, Betty Bulva, Mary Ann Bunk, Helen Cholevik, Dorothy Bergrath, Elsie Kmetz, Florence Kierski, Lee Krsan, Helen Kulazsa, Margaret Kulazsa, Ann Loftus, Gladys Markovich, Lucy Martes, Helen Moonhegan, Joyce McKinney, Ruth Ann Plintz, Mary Poznaniuk, Beatrice Stentzer, Louise Papa, Vera Sikora, Mickey Voumpal, Janet Werner, Winnie Sasyk and Josephine Zelenka and Sister Mary Celeste. The next meeting will be held April 10.

Workshop Topic At St. Mary's

Reid Zenner, program director of the Specialized Services workshop for the handicapped, spoke and showed slides on the workshop program at a monthly meeting of St. Mary's PTA Monday evening in the school cafeteria.

Mrs. Fannie Malon offered prayer and Mrs. Kathryn Butkovich, president, conducted a business session. A bake sale was set for April 29.

Fr. Engelbert Bienek, pastor spoke on missions and on attendance at religious services during the Lenten season.

The hostesses, Mrs. Betty Dobrowski, Mrs. Kathy Delmal, Mrs. Jerry Mendez, Mrs. Cecilia Pingel and Mrs. Eleanor Tutka, served refreshments. Mrs. Polly Tutka won a prize.

Left to right are—Mrs. Kenneth Brokaw, treasurer; Mrs. Robert McCauley, vice-president; Mrs. Fred Orr, president; and Mrs. William H. Bradley, secretary. Mrs. William Liernien, historian, was absent when the picture was taken.

Garden Club Installs Officers

The Cloverview Garden Club met Tuesday at The Round Table near Collinsville and installed the following new officers:

Mrs. Fred Orr, president; Mrs. Robert McCauley, vice-president; Mrs. William Bradley, treasurer; and Mrs. Kenneth Brokaw, secretary.

The installation ceremony was conducted by Mrs. Harry Fraenfelder of the Lakeview Garden Club, Collinsville.

Luncheon was served at 12:30 at a table decorated with yellow, pink and white carnations. Favors were Easter baskets and bunnies.

The club voted to send John Jenkins, a son of Mr. and Mrs. John Jenkins, 2442 Lynch avenue, to a Southern Illinois university workshop in Carbondale. The project is sponsored jointly by the Cloverview and Lakeview clubs.

Mrs. George Knapp gave a reading, "Why We Decorate Eggs at Easter," and appreciation gifts were presented by the club to the retiring president of the club, Mrs. Jenkins, and to Mrs. Fraenfelder.

Others present were Mrs. Anderson.

Club Studies Europe Gardens

Mrs. Carolyn Moser was hostess to the Thorngate Garden club Tuesday afternoon in her home. A luncheon was served by the hostess, using favors and decorations in a St. Patrick's theme.

Mrs. Clara Schilling showed slides, taken on her trip to Europe, of formal and informal gardens and historic points of interest.

Mrs. Beulah Miller, president, opened the business meeting and roll call was answered by stating "What I like best about the garden club."

To observe the 10th anniversary of the club, the group planned a luncheon at the Rose Bowl in April.

A discussion was held on the next meeting, to be held in the home of Mrs. Mary Markham, Route One, April 11. Plans were made to conduct a plant sale and a white elephant sale.

Others present were Mesdames Evelyn Lu, Mary Markham, Pat Polley, those named and a guest, Mrs. Pearl Young.

WSGS Lesson Is on 'Denial'

The Woman's Society of Christian Service of Niederrhein Memorial Methodist Church met Tuesday evening in Wesley Hall.

Hope Circle, Mrs. Winifred Reimers, leader, was in charge of the program. After the devotion the lesson on "Denial" was given by Mrs. Reimers.

Clara Dawdy, Mrs. Augusta Pender, Mrs. Eva Evans, Mrs. Earlyn Miller and Mrs. Pearl Campbell.

Miss Ella Ray Smith, WSGS vice-president, conducted the meeting and plans were made to make contributions to the church, the community workers' salaries and to the Easter party to be held at Neighborhood House in East St. Louis.

A report was also made by those who attended a recent district meeting in Alton.

Faith Circle, Mrs. Velva Pieper, leader, served refreshments to 36 members.

Hilltoppers Plan Trip on April 11

The March meeting of the Hilltoppers of St. John United Church of Christ was held Tuesday with Harry Brinkhoff, president, in charge of the business session.

After the devotional service reports of the sick committee and treasurer were given, and the members heard a talk by Stanley Lutostanski, a field representative from the East St. Louis Social Security office who discussed Social Security and Medicare. A question and answer period followed.

Plans were made for members to visit the Edwardsville Nursing Home on April 11. The group will leave the church at 1 p.m. on that day.

Hostesses at the meeting, Mrs. Dessie Knipping, Mrs. Anna Kunemann and Mrs. Genevieve McCormick, served refreshments to 36 members.

Joint Meeting of Church Circles

A joint meeting of the Ford Hays and Howard Olive circles of First Baptist Church, was held Tuesday evening at the church. A book study, "Forest Trails to Urban Jungles," was taught by Mrs. Dorothy Winters, who also conducted a group discussion on Southern Baptist work in the Great Lakes area.

Refreshments were served by Mrs. Dolores Carson, Mrs. Fern Affolter and Mrs. Barbara Shanks.

Others attending were Mesdames Joyce Milu, Myrtle Howell, Gladys Hagen, Dorothy Glasgow, Marie Elbert, Elmore Stag, Pauline Harp, Maureen Cox, Virginia Head, Ruby Foster, Betty Scrump and Mrs. Olive.

Mrs. Carson will entertain the Ford Hays circle and Mrs. Hagen will be hostess to the Howard Olive circle, both on April 11.

The devotion was led by Mrs. Mildred Rushing, president, and guest speaker was Mrs. Viola Belmer.

Mrs. Dora Stroud and Mrs. Ola Burris were honored for their birthdays with a cake and dinner. Tables were decorated in a St. Patrick's theme.

Secret pals exchanged gifts for St. Patrick's Day.

Those present were Rev. and Mrs. Lloyd Shoemaker, and Mesdames Glenna Stages, Doris James, Mary Hildreth, Ola Burris, Fania Arnhart, Rose Cooper, Dora Stroud, Grace Hecht, Maureen Benson, Emily Bolton, Viola Belmer, Elma Rudnicki, Carol Cooper, JoAnn Mathenia, Linda Smallie, Joy Clar, Wanda Tracy, Rosemary Mohon, Mildred Rushing, Pauline Dunnivant, Jerri Johnson, Eula Cooper, Leola Tucker and Elsie Mathenia.

Lusk, Burt, Manwaring All-League

A state record-breaker and four other high-scoring basketball players make up the fourth annual all-Midwestern Conference team selected for the Press-Record by conference coaches.

Named to the first five were Gary Lusk and Ron Burt, both of Madison, Craig Manwaring of Highland, Larry Lewis of Triad and Ricci Stottler of Bethalto.

All five were unanimous selections by the participating coaches: Earl McClanahan of Madison, Cliff Talley of Highland, Herman Edwards of Roxana, James Carey of Bethalto, Earl Lee of Cahokia, Richard Mason of Triad and Clayton Landon of Dupu.

Manwaring Picked Three Times Manwaring is the only repeat from last year, with Lusk and Stottler moving up from honorable mention. Manwaring marks his third year on the Press-Record all-Midwestern team.

Named to the second team were Charles Nunn and Dick Dona, both of Roxana, Bob Brendel of Triad and Charles DePriest and Ron Hurt, both of Dupu.

The current season scoring leader, Manwaring, has chalked up an average of 30 points a contest this year for the Highland Bulldogs.

His total points this season are 814, and he has set a state record for the most points scored in a regulation game, 58.

208 Career Points He also broke Highland school scoring records. His career scoring effort totals 208 points.

The Trojans' Lusk followed Manwaring in this season's point totals, tallying 698 points. Lusk, averaging better than 27 points a game, connected on 251 out of 467 field goal attempts and 154 out of 194 free throws.

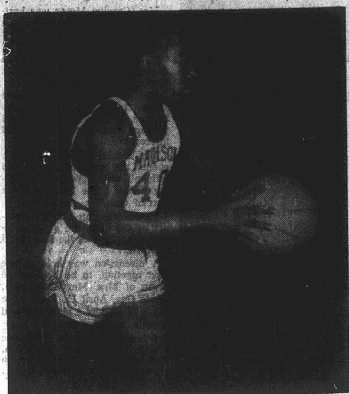

Another Trojan, Burt, has been described as the "workhorse" of the team for his unrelenting defensive play and his prowess on offense and assists. He totaled 385 points this season, making 147 out of 331 field goal attempts and 91 out of 137 charity shots.

Undeclared Champions Both Trojans were instrumental in Madison capturing the Midwestern Conference championship without a defeat this year. Stottler, who along with Manwaring was selected for the Press-Record all-Midwestern Conference football team last fall, finished this basketball season with 498 points.

Bethalto Coach James Carey calls Stottler "one of the best guards in this area and a good passer and feeder."

He made 177 field goals and hit 112 free throws for a 75% free throw shooting average. Stottler also averaged four rebounds a game this season.

good ball but is also a good student. He ranks 21st among the 106 in his graduating class.

Averaging better than 18 points per game, he tallied 471 points this season and 814 for his career.

A regular starter for the past three seasons at Triad, Lewis is credited with 184 rebounds this season and 81 assists.

Out of the five first-grade players, only Lusk and Stottler will re-

turn for another season. Madison won the conference with a 12-0 mark, Highland, Roxana and Triad tied with 7-5 records, Bethalto was 6-6, Cahokia 2-10 and Dupu 1-11.

Midwest Division Meeting Tonight

Midwest Division Granite City park district baseball team managers and representatives will meet at the park office at 7:30 tonight to discuss operational procedures for the 1967 season.

Practice diamond assignments and game scheduling will be discussed. Also, honorary membership tickets will be distributed for sale by players at \$1 each to help finance uniform and equipment costs.

Work on the land, donated by St. Elizabeth Roman Catholic Church, began last year when association members volunteered their time to erect goal posts and spectator stands and to mark field boundaries.

Prior to Saturday's games, the soccer fields were used for a dedication game held last fall.

Grass Well Rooted "We have waited for the grass to get properly rooted on the full-time basis," Ruben Mendoza, director of the association, told the Press-Record.

He said that fields at Coolidge junior high school will be used for overflow matches and as practice fields for some of the 22 teams presently participating in the soccer association.

Four additional teams will be formed in the first week of April in an instructional league for six and seven year-old boys.

Registration in Progress Parents interested in having their sons participate in the instructional league should contact the YMCA at TR 6700.

The association is investigating the possibility of starting a girls' soccer league in May.

Plans for constructing a field house to serve the St. Elizabeth fields are being formulated, and the association hopes to begin work on the building this summer.

The Owen Friend league second-year bantams will play on Tuesdays at Wilson Park diamonds

two and four, Joe Loftus league teams at St. Maryland Bl-Rite, L&W Movers, Houser's Auto Parts and Chuck's Barbecue

Tigers. First-year bantam teams are for boys nine to 18 years old, and second-year bantam teams are for boys 10-11 years old.

The Owen Friend league second-year bantams will have their games on Wednesdays at diamonds three and four

Friend league teams are Barker Cement, State Radio & TV, Burger Chef, Orphans and Bert's Chuck Wagon.

Second-year atoms in the Salty Parker league will play Mondays on diamonds three, four, five and seven.

These teams are Comfort Heating & Air Conditioning, Leo Wolf Construction, Eagles, Gas Pumps, Sun & Fun Park Cards and Co-ordinated Youth Cardinals.

Second-year atom teams are for boys eight to nine years old.

First-year bantams in the Larry Schoeber league will play Thursdays at diamonds three, four and five.

The teams are Dog-N-Suds, B&E Lumberjacks, Kline Interiors, First Granite City Savings and Loan, and two others.

Atom teams lacking sponsors, managed by Bob Patrick and Tony Domek.

All games will start at 6 p.m. Leon Chappell, park district athletic director, told the Press-Record that the baseball program needs managers, especially in the first-year atom division.

"Any adult can qualify to be a team manager," he said. Those interested may contact the park office at TR 73059.

Former GC Wrestler in College Meet Finals

Cavanaugh, co-captain of the 1965 GCHS state champion wrestling team, is the first Missouri University wrestler to reach finals of the Big Eight Intercollegiate Conference tournament, it was noted at the university this week.

Competing now in the 115-pound class, he wrestled at 112 in high school. Oklahoma University won the tourney.

William Schmitt, Warrior mat coach, reports that "the Big Eight is the toughest national intercollegiate wrestling conference."

MRS. CATHERINE MICHEL, B&PW Club "Woman of Achievement in Business" (standing left), receives congratulations from her husband, Anthony, and Mrs. Ann Pieper, while Mrs. Nina Bigley, club president, standing at right, prepares to present her with a gift. Those seated from left to right are Rev. Joseph Dineen of St. Jerome's Church, Troy, Dr. Felicia D. Koch, who introduced Mrs. Michel, Miles R. McClune, the guest speaker and Mrs. Ann Burton, dinner co-chairman.

200 Persons at B&PW Banquet Honor Mrs. Catherine Michel

Nearly 200 members and guests of the Granite City Business and Professional Women's Club paid tribute last night to Mrs. Catherine Michel of Michel's Gift Shop, the 1966-67 "Woman of Achievement in Business," during the club's annual Bosses' Night dinner at the Rose Bowl.

Guest speaker was Miles R. McClune, senior development technician at McDonnell Aircraft Corp., who showed a color film, "Leaping to Walk in Space." Portions of the film were recorded during actual space flights, while McClune narrated other sequences which described the pre-flight training program.

McClune discussed problems connected with man's entry into the hostile environment of space. He said temperatures ranging from minus 250-degrees to 250 degrees above zero, combined with the absence of gravity and necessity for artificial breathing apparatus transforms the simplest task into one of major proportions.

McClune is assigned to the Aero Zero Gravity Training Flight program at the McDonnell firm. During the Gemini missions, he performed simulated space walks on national television and worked closely with astronauts and other NASA personnel.

The guest speaker explained that astronauts and others in the space program currently are practicing "walking on the moon" at isolated sites in Oregon and Florida where the topography most resembles the moon's surface. He demonstrated a space suit worn by the Gemini astronauts and explained that the new Apollo suits will have double-breasted helmets with adjustable face screens, developed as further protection against excessive radiation and heat exposure.

Mrs. Michel, who was introduced by Dr. Felicia D. Koch, operates the gift shop in connection with her husband, Michel's Jewelry Store, 1842 State street. The couple resides at 2618 Cleveland Blvd.

A native St. Louisan, Mrs. McClune moved to Granite City with her husband shortly after their marriage in 1959. Currently, she serves as president of the Noonday Opti-Mex Club and is an active member of the Elletts, Daughters of Isabella, Sacred Heart Altar Society, Women of the Moose Chapter 247 and St. Elizabeth Hospital Auxiliary.

With her husband, Mrs. Michel has assisted several young people further their careers, including two young women they have sponsored through nurses training and a young man who was graduated from the Elgin Watch College.

Other distinguished club members who were paid special tribute last night, include Miss Margaret Beard, Mrs. Gabrielle Betnes, Miss Mary Blackburn, Mrs. Sadie Crawford, Mrs. Ota Crowder, Miss Morena Groshong, Dr. Koch, Miss Maggie Mollenbrock, Miss Hattie Pick, Mrs. Bessie Morgan Reese, Mrs. Pearl Ryckman, Mrs. Olive Belle Stallings and Mrs. Elvira Thurber.

Dinner was preceded with the National Anthem and B&PW Collect sung by Mrs. Ann Pieper, accompanied at the organ by Mrs. Jane Johnson. The invocation was offered by Rev. Joseph Dineen of St. Jerome's Church of Troy.

Mrs. Ann Burton and Mrs. Lottie Schuster served as general co-chairmen for the annual Bosses' Night dinner.

Heading the various arrangement committees were Dr. Koch, Mrs. Thurber and Mrs. Burton.

350 Persons Attend Benefit Style Show by Jr. Service

Over 350 persons were in attendance Tuesday evening for the annual style show sponsored by the Granite City Junior Service Club in the high school auditorium. The proceeds from the show are used throughout the year for the club's various charity projects. The theme this year was "Spring Fantasy."

More than 100 models, children, teenagers and adults took part in the show. The various stage settings included "Old Mother Hubbard's" shoe, a flowing fountain, spring flowers in a cart, and others.

Mrs. Rena James, club president, welcomed the guests; and Nancy and Cliff St. James, St. Louis radio and television personalities, served as commentators.

Music during the show was furnished by Jack Johnson of the Johnson Music Store. A trio composed of Carol Shelton, Bev Vaughn and Candy Jones sang "Three Coins in the Fountain," "Chim, Chim, Chere" and "Easter Parade," and other entertainment was furnished by the "Sweet Adelines" of Belleville who sang during intermissions.

avenue, was arrested at the Maryland Bi-Rite supermarket, 2205 Pontoon road, at 4:50 p.m. Tuesday. Police said he had three bags of candy priced at \$7.00 each and was charged with disorderly conduct and was released on notice to appear. A 10-year-old companion was referred to juvenile authorities.

About \$15 in change was missing in a burglary at Jack's Mid-town barbershop, 1310 Twenty-second street, it was reported at 8:10 a.m. Wednesday. Entry was gained by raising a west side window to a back room and sliding a night latch open on the door to the shop.

A man's wrist watch with an expansion band, and a woman's black, brown and tan purse containing charge plates, driver's license, bank book and about \$42 in cash were stolen from the home of Mrs. Glenn Hornberger, 2918 Warren avenue, she reported at 7 a.m. Tuesday. She said the front door had been left unlocked.

1961 Auto Stolen
James Klein, 1704 Cleveland blvd., reported Monday that his 1961 two-door auto was stolen from his home during the night. The hood, grill and left front had damage.

Leonard Goos, 1929 Harris street, Madison, reported to police at 6:20 a.m. today that his 1963 model auto was stolen from in front of his home after 10:30 p.m. yesterday.

Johnny Carson to Tour Gateway Arch Saturday

Johnny Carson, popular star of the nationwide television "Tonight Show" who is to present a program in Kiel Auditorium Sunday night, will inspect the St. Louis Gateway Arch and Jefferson National Expansion Memorial project Saturday afternoon as guest of the city of St. Louis and the Bi-State Development Agency.

Carson, accompanied by his son, also may go to the top of the Arch in the new Bi-State train which is to be opened soon to the public. Movies of the Memorial area are expected to be taken by Carson's staff.

Mayor A. J. Cervantes and E. Townsend, chairman of the Bi-State board of commissioners, are to meet Carson early Saturday afternoon and escort him to the riverfront area for the inspection tour.

Paddlers Board Plans Summer Activities

An increase in activities for members of Paddlers Swim Club during the 1967 season is being planned by the board of directors who met last night.

Mrs. Mary Jesse, activities chairman, said there will be several adult social evenings, a family picnic, a weekly swim night for men only and expansion of the housewives recreation and exercise hour to twice-weekly sessions.

ment of incumbent candidates in several instances in the Granite City municipal and township elections, gave its approval to all three candidates seeking two park board posts and endorsed the three incumbent members of the Granite City school board who are seeking re-election this year.

In the Granite City township election the council endorsed the candidacies of two incumbent assistant supervisors, William Webb, and Mrs. Mary Gaughan, who are seeking re-election, and Leroy Mangiaracino, an independent candidate.

Other township candidates are Carl H. Roach, incumbent, and Endorsements went to five incumbent Granite City aldermen seeking re-election—Sam Whitmer, Ward Two; Clyde Boyd, Ward Three; Claude Green, Ward Four; Walter Norn, Ward Five, and Gerald Parmley, Ward Six. Dan Churovich, an independent candidate.

B. J. Milu Endorsed

In the First Ward the council endorsed B. J. Milu over incumbent Charles Moerlein.

The council endorsed Dale Skeen in Ward Seven, and Emerald Daves for the Eighth Ward. William Warfield, incumbent street superintendent, was endorsed. Three candidates for two park board posts also were endorsed—Milton Worthen and Clarence Baumeyer, incumbents, and Chris VonNida.

Approve Patrick, Smolar

In Nannock township, the council endorsed Edgar Patrick for supervisor and George Smolar for assistant supervisor. Both are independent candidates opposing incumbent supervisor Harry Briggs and incumbent assistant supervisor Roger Deltour.

Endorsements in the April 18 Granite City school election went to the three incumbents whose terms expire this year. They are Dr. E. W. Walton, Carl Macios and William L. Harris. In other action last night, the council, with 41 of its 57 delegates attending, reiterated its support of the drive to organize employees of St. Elizabeth Hospital after the delegates were informed hospital authorities have rejected a request to recognize Local 461, Cooks and Waitresses Union, as bargaining agent for 41 workers on the hospital's kitchen staff.

Negotiations Rejected

Mrs. Helen Peters, business representative of the union, read correspondence between the union and hospital officials in which the union also asked to begin negotiation of a contract. This request also was rejected, Mrs. Peters said.

Reiske said that the council pointed out that the "attitude shown in this matter most certainly will be reflected in the

Annual Decisions On Retirements, School Tenure

Sixty teachers were placed on tenure and the probationary period of four instructors was extended for a year at Monday night's Granite City school board meeting.

Acting on other recommendations by Supt. B. J. Davis, the board accepted 12 retirements and resignation requests effective June 2, and extended the employment of six employees reaching age 65 and five who are reaching age 68.

Those planning to retire or resign at the end of the spring term include Miss Lily Dool, a Granite City high school English teacher, Miss Mabel Stewart, a McKinley second grade teacher,

Mrs. Eleanor Bacon, GCHS cafeteria staff, and Mrs. Clara Stein, McKinley cafeteria employee, all retiring; and Mrs. Edith Copeland, Webster second grade, Miss Rose Ann Murnin, St. Louis, GCHS educable mentally handicapped class, and Mrs. Brenda V. Scott, Nameoki second grade teacher.

Five others planning to retire and resign will make the announcement nearer the end of the term.

Five Teachers Hired
In other actions, the board hired retroactive to Jan. 31 Mrs. Linda Salvay, 2015 Delmar avenue, master degree from Peabody College and four years of teaching, as a "block of time" instructor at Coolidge junior high school.

Primary elementary teachers hired for the new term beginning in August were Miss Mary Anne Baumann, 2103 Cleveland blvd.,

bachelor degree with two years of teaching; and Mrs. Joyce Lane Lignoul, 2001 Fortune drive, 1967 SIU bachelor degree. Employed as intermediate elementary teachers starting in August were Mrs. Helen Marie Schmeissner, 3861 Nameoki road, SIU bachelor degree and four years of experience, and Mrs. Anita Marie Winters, 38 Del Rio avenue, 1967 SIU bachelor degree.

Sick Leave Half-Day Policy

The board adopted a policy calling for school employee receiving workmen's compensation disability benefits for lost time to also receive part of their sick leave pay, with the combined total equaling their regular pay. Sick leave will be deducted at the rate of a half-day for each school day of lost time payment through the workmen's compensation program.

The plan was developed earlier

in a meeting between representatives of the board and of school employee groups.

At one time, some employees received both full sick leave pay and workmen's compensation, resulting in bonus pay for illness. In recent months, duplicate payments were halted.

Screening Unit Costs

Costs of the screening committee established to evaluate school administrator applications were listed as \$199 and were approved for payment.

Dr. Van Miller of the University of Illinois was paid \$151 for postage, telephone calls and

day-and-a-half of work in preparing materials, establishing a rating plan for credentials, reading and rating credentials, and preparing notes on the credentials between Jan. 5 and Feb. 5.

Robert A. Jamieson of Peoria was paid \$28 for his travel, and

the Illinois Association of School

Boards was paid \$19 for copying work, envelopes and stamps.

The screening unit consisted of Dr. Miller, Jamieson and Robert M. Cole, IASB executive director.

Teach Unwed Mothers

The board decided to allow the Alton school district to participate in a Granite City district special education program under which unwed local mothers will be educated at the Booth Memorial Hospital, St. Louis. Other districts also will be permitted to join, with Granite City serving as the administrative district.

The Masque & Gavel GCHS speech society was authorized to visit New York City May 1-7 and attend Broadway plays. Super-

vised by Richard King and another teacher to be designated, the trip is being financed through student candy sales.

The chair of the GCHS vocal

music department will make a perience in housekeeping and cooking. The district will pay the district's mathematics committee, meeting at a school in Detroit will be met from the club's treasury and from the students

Supervision will be by teachers, and costs will be paid from vocal music activity funds.

Homemaking Field Trip

Future Homemakers of America will make their annual trip to Black River Lodge, Leesterville, Mo., May 19-21. The field trip, supervised by a teacher and club mothers, will provide ex-

medical reading staff was granted

time off to go to Seattle, Wash., May 3-6 for a meeting of the International Reading Association.

There was no loss.

Firemen were called to the home of Dale Arnette, 261 Delmar avenue, at 1:15 p.m. Tuesday when a fire burned out.

Woman Gets 1-6 Years For Venice Robbery

Dolly Regina Gage, 23, of St. Louis, was sentenced to a term of one to six years in prison Wednesday by Circuit Judge James O. Monroe who denied probation.

She was charged with armed robbery of the Venice liquor store last Nov. 10. Under indictment on the same charge and on two counts of attempted murder is Louis Edward Brown, 21, of St. Louis, who is now serving a prison term of three to 10 years issued in the St. Clair county circuit court.

Badly beaten during the robbery were Frank Diak, Granite City beer truck driver, and Michael Collins, Cottage Hills bread truck driver. Diak and Mrs. Mildred Harmon, who was a clerk at the store, testified during the hearing that the huge woman had held a sawed off shotgun on them.

God, Community Awards For 2 Local Girl Scouts

One of the top Girl Scout achievement awards, the God and Community Award, was presented this week to two local girls, Miss Lois Ann McQuinn and Miss Carol Koglin, both members of Senior Girl Scout Troop 121 and are sophomores at Granite City high school.

In observance of "National Girl Scout Week," being celebrated throughout the Quad-Cities this week, special award ceremonies were conducted at St. John United Church of Christ.

Rev. Paul R. Surbey, pastor, who had counseled the two girls over a period of two years, made the presentation and described briefly their qualifications.

As her community service, Miss Koglin, 16, recently recorded more than 200 hours of volunteer service as a candy striper at St. Elizabeth Hospital in a six-month period. She is the daughter of Mr. and Mrs. Larry Koglin, 2334 Waterman avenue.

Miss McQuinn, 15, a daughter of Mr. and Mrs. Kenneth McQuinn, 2818 Nantuxi road, and Miss Koglin, worked on the committee of the American Legion which urged passage of the Granite City park district's ice rink and recreation center bond issue last year.

Both scouts provided assistance during vacation Bible school and with various church secretarial duties and also worked in Quad-Cities United Fund campaigns.

Senior Troop 121 is led by Mrs. Wilma McQuinn, assisted by Mrs. Delores Vogler as co-leader.

Rep. Ralph Smith to Address Legionnaires

Illinois House Speaker Ralph T. Smith (R) Alton, former resident of Granite City, will be the principal speaker Saturday night at an observance of the 48th anniversary of the American Legion sponsored by Venice-Madison Post 307.

Headlining the program also will be the initiation of new members, including from 15 to 20 veterans of the Vietnam conflict. The program will start at 8 p.m. and is to be attended by several division, district and department officials.

The Sons of Legion will post the colors and a luncheon will be served after the initiation and speaking. Dancing will follow the luncheon.

Representative Smith was born in Granite City where he practiced law until entering service in world war II in the Navy. After his discharge in 1946 he moved to Alton where he resumed his law practice.

Flag Ceremony For School Marks Donation, Repairs

The flagpole at St. Joseph's Parochial school that has been out of service for over a year after being damaged by vandals was the scene of a flag-raising ceremony Tuesday morning.

Repairs to the laneyard had been completed, and the new flag was donated by Mrs. Irma Manning, 2021 Hildebrand avenue, a former pupil, as a memorial to her father, the late Nicholas Portell. The flag had been presented to the family by the government at the time of Mr. Portell's death last August.

He was a world war I veteran. Sister Mary Lawrence, school principal, said the ceremony was witnessed by all 180 pupils of the school.

John L. Logan Promoted While Serving in Vietnam

John L. Logan, 21, son of Mr. and Mrs. Joseph Logan, 104 Abbott street, Venice, has been promoted to Army specialist four near Pleiku, Vietnam, where he is assigned as a radar operator in Headquarters Battery, 4th Infantry Division Artillery.

Spec. Logan entered the Army in November 1965 and was stationed at Ft. Lewis, Wash., prior to arriving overseas in September 1966.

Dewey Avenue Methodist Services Next Week

Holy Week services will be held at Dewey Avenue Methodist Church each evening at 7:30 Monday through Friday.

There will be holy communion at the Thursday evening service.

SIU-SW Library Gets Slavik Societies Data

A donation of original record books for nearly 50 Slavik societies in this area has been presented to the Lovejoy Library at Southern Illinois University-Southwest campus. The gift was made in connection with a Slavik and East European book donation project, which SIU's History Club inaugurated in 1965.

Presented by Frank Novak of Edwardsville, president of Lodge 26 of the Czechoslovak Society of America, the original financial records go back as far as 1880.

The collection includes historical data from the Edwardsville Sokol, a gymnastic society; the Benevolent Society of Czech Ladies; and Freedom Lodge No. 9. Rev. Andrew Toltz, pastor of St. John's Catholic Church in Madison also participated in the ceremony.

Mrs. Stephen Stinson, secretary of the Friends of the Library, wants such materials.

"They are an important source of information about such societies in this area, the library is slowly becoming a research center for Slavik and East European studies, and if such records are not cared for they are often lost or destroyed. When these records are donated to the library they are preserved, protected and made available to all interested parties."

Individuals and societies having such materials are encouraged to notify the library. Members of the History Club will pick up all donations and deliver them to library authorities, Mrs. Stinson said. Since the club project was started, more than 1500 items have been given to the Lovejoy Library.

Zoning Petition Ok'd by County; New Hearings Set

Requests for special use permits were approved for area applicants, denied for another and held in abeyance for a month on a third by the Madison County board of supervisors Wednesday. The county zoning board of appeals set new on-site hearings for April 11-12.

Rev. Aaron Holloway received a special use permit to set a mobile home in an R-3 one-family residence district in Chouteau township provided he furnish suitable skirts, slabs and screening.

A request by Mathew Kozayk to set two mobile homes in an R-3 one-family residence district in Nantuxi township was denied.

Held an extra month was the petition of Sam Nuel to rezone a tract from R-3 one-family residential to M-3 general manufacturing district with a special use permit for a filling station, motor restaurant for a food freight terminal and truck stop in Nantuxi township.

April Hearings
Four petitions will be heard in the April 11 for: Melvin Pashea and Kenneth Harbar, owners for a special use permit for a mobile home court and mobile home subdivision to convey or deed lots to individuals for building sites with proper restrictions for the exclusive use of mobile homes and including a sewage treatment facility; also the rezoning of a lot in the Louis subdivision to B-3 highway business district in Chouteau township.

William C. Briedenbach, owner, to rezone a tract from B-3 highway business to R-3 one-family residence district to subdivide into lots for building purposes in Nantuxi township.

Mobile Home Court
Rozzyk, owner, to rezone two tracts from agricultural district to R-5 multiple family residence district and to B-3 highway business district for a mobile home court in Nantuxi township.

Hearings are set for April 12 on the petitions of: The Edwardsville National Bank & Trust Co. as trustee under the will of M. Esther Funke by Martin Fange, assistant trust officer, requesting a special use permit for off-street parking in an R-4 one-family residence district in Chouteau township.

The New York Central Railroad and Gulf, Mobile & Ohio Railroad by Thomas Holm, attorney, for a special use permit for off-street parking in an R-4 one-family residence district in Chouteau township.

600 to 700 Expected
At Hospital's Dinner
The community dinner for St. Elizabeth Hospital's expansion fund campaign is to be attended by 600-700 persons next Monday. Dinner music will start at 7:30 p.m.

Delancey J. Davis, general chairman of the drive and president of the Castings Division of General Steel Industries, will preside over the event to be held in the Granite City high school cafeteria.

On the program will be Joseph Glik, president of the hospital's Lay Advisory Board; Sister Mary Thomas, hospital administrator; Mrs. Helen Bergfield, president of the Hospital Auxiliary; Dr. Anthony Rourke, hospital consultant; Paul Hopper and Miss Jackie Haug, representing hospital employees; Frank E. Wheeler, campaign director, and Dr. Charles A. Haney, of Haney Associates.

Dr. Rourke will outline the hospital's needs and plans, while Dr. Haney will speak on the fund campaign, telling "How It Can Be Done."

Port Board Studies New Bulk Facilities

An informative discussion of bulk loading facilities at the Port of New Orleans, La., was held by the Tri-City Regional Port Authority board in a regular meeting Monday night. The facilities were described by Carl Ranft, Tri-City Port manager, who made an inspection tour of the two port districts recently.

Only routine business was conducted. The Tri-City Port has been considering installation of bulk loading facilities but has been handicapped in undertaking any improvements because of the tight money market and state legislation which sets 5% as the maximum interest to be negotiated in the sale of any bonds.

Ranft said the district recently discussed the matter with the Illinois State Revenue Department in an effort to obtain legislation raising the bond interest limitation or otherwise easing the problem of selling bonds.

Sunday Lesson-Sermon
A lesson-sermon entitled "Matter" will be read Sunday in First Church of Christ, Scientist, 280 Delmar avenue, as in all Christian Science churches.

Dual Good Friday Services Planned by Area Ministers

Two Community Good Friday services are planned by the Quad-City Ministerial Association.

In Granite City, the service will be held at Nidringhaus Methodist Church, 12:30-2:30 p.m. The service for the Madison-Venice area will be at First Methodist Church in Madison at 7:30 p.m.

The three-hour service at the Granite City church will be divided into time periods, under the following leadership, with Dr. Raymond Troyer, association president, presiding.

From 12:30-1:30 p.m., Rev. Robert Baumann, Rev. James R. Craddock, 12:30-1:30 p.m., Rev. George Bender, Rev. John Dugdale, 12:15-1:20 p.m., Rev. Boyd-Wolverton.

Rev. Gail Cross, 1:20-1:45, Rev. Clair Clark, Rev. Goodloe Looe, 1:45-2:10, Rev. W. J. Richardson, Rev. Frank Christ, 2:10-2:35, Rev. Carl Johnson, Rev. James Eldridge, 2:35-3, Rev. Claude Thompson, Rev. Paul Sims.

Persons may come and go at any of these periods. The service in Madison is being planned by Rev. Christ and Rev. Love with the entire community invited.

Doing the overall planning for these services is the Special Services Committee of the Quad-City Ministerial Association, consisting of Rev. Dr. David B. Maxton, Rev. Clark, Rev. Christ, and Rev. Phillip Burke Jr. Dr. Troyer also met with the committee.

Boy, 18, Faces Fighting Charge; Hearing April 5
Timothy Dembrok, alias Timothy Lewis, 18, of East St. Louis, was arrested by Madison police yesterday on a charge of fighting growing out of an altercation last Saturday night at the West Madison Recreation Center.

Thomas Ingram, 17, of 715 Washington street, West Madison, was arrested and taken to the police station where he was held on a charge of fighting growing out of an altercation last Saturday night at the West Madison Recreation Center.

Mr. Mann, who was released from the hospital earlier the same day, had undergone surgery March 6. He was seated in the living room talking to his wife when stricken. A short time earlier he had complained of gas pains.

Committee Favors Bingo Vote

Bills Filed For Interstate Air Compact

An interstate compact for air pollution control in the Illinois-Missouri metropolitan area is provided in bills introduced Tuesday in the legislatures of both states.

The Illinois compact proposal was introduced this week in the Illinois House at Springfield by House Speaker Ralph T. Smith (R) of Alton, who said the legislation was introduced now "because others working in both states have had no real success on a mutual program."

In Missouri Sen. Richard Webster (R) of Carthage, Mo., submitted a bill authorizing a compact that differs from one introduced Monday by Sen. Maurice Schechter (D) of Creve Coeur. Senator Webster's bill differs from the Schechter proposals in three major respects.

The federal government would not be a party to the compact unless there was a stalemate; states would vote as a unit instead of by individual delegates and more exact definition would be required for what bi-state pollution is.

Interest in This Area
Rep. Smith co-sponsored the Illinois bill with Sen. W. Russell Arrington (R) of Evanston. They

pointed out that the compact is of primary interest in the Madison-St. Clair county area of Illinois and St. Louis and St. Louis county.

Representatives of the Illinois Air Pollution Control Board and the Missouri Air Conservation Commission have been meeting for the past several weeks on terms of such a compact, but have been deadlocked over several major points, including the part federal representation would play on the compact commission.

A proposed constitutional amendment to legalize bingo in Illinois was recommended for passage by the House Executive Committee Tuesday by a 13 to 7 vote. If passed the bill would authorize the operation of bingo games by charitable, educational or fraternal organizations. The measure requires a two-thirds majority vote in both houses.

While similar legislation has reached the House floor in previous assemblies, it always failed of passage. If approved by the required two-thirds vote, the proposal would be presented to the voters in a referendum to be held in connection with the general election in 1968.

Back to the Church

Rep. William J. Murphy (R) of Antioch who has acquired the nickname of "Bingo Bill" because of his support of such legislation, said "It is time we take bingo out of the supermarket and put it back in the church where it belongs."

A resolution urging that the terms of such a compact, but have been deadlocked over several major points, including the part federal representation would play on the compact commission.

An attempt to force consolidation of smaller townships was withdrawn by Sen. Arrington Tuesday. The senator said he did not have enough votes to pass the bill which would have required merger of townships of less than \$10 million assessed valuation and 108 square miles of territory with other larger townships.

In the Missouri assembly at Jefferson City, Gov. Warren E. Hearnes said he had asked the House Appropriations committee to begin hearings immediately on a request by the Bi-State Transit System for state subsidies to avoid a growing deficiency. A similar request has been made of Illinois Gov. Kerner. Bi-State announced recently it will have to curtail service and raise fares in September if it is unable to raise additional funds to avoid a \$700,000 deficit. Bi-State believes it can obtain federal grants if matching funds are made available through the state subsidies.

Alton State Hospital Plans Staff Training

Dr. Abraham Simon, supt. of Alton State Hospital, announced today that a new training committee has been formed with Robert Connell, educational training coordinator, as chairman.

The purpose is to coordinate and strengthen training and educational programs for Mental Health Zone 7, which geographically, Alton State serves. Also, the committee will submit recommendations concerning policies and guidelines at all department levels in the area of training, and disseminate information on employment and educational needs to both the institution and the community.

The committee is to plan, organize, structure, assist and carry out a general orientation program for all employees. Also, to assist and coordinate special training teams and task force programs to meet the state and community needs.

Two Autos Collide

Autos driven by Sharon A. Holmes, 2415 Missouri avenue, and Christie C. Hayes, 1549 Garfield avenue, collided at 4:05 p.m. Tuesday at 20th and State streets. The Holmes auto then jumped the curb and knocked down a city street sign.

Eggs Thrown on House

Mrs. William Lerner, 1651 Maple street, reported at 8:35 a.m. Tuesday that during the night eggs were thrown on the front door and window and a swastika was drawn on the house with a yellow crayon.

Speeding Charge Filed

Nathan Class, St. Louis, was issued an arrest ticket at 10 a.m. Tuesday on a charge of speeding at 2400 Madison avenue.

WATCH OUT for the MEN in the GREEN HATS -- DURING OUR 17 HOUR SAVINGS SPREE!

Sure and you'll be sharing the "Luck of the Irish," even if Niedringhaus and Delmar is as close as you've ever been to the Blarney Stone, if you take advantage of the savings offered during our St. Patrick's Day Birthday Party. And don't let those little men in the green derbies frighten you. They're just the friendly salespeople at Fredman Bros. who are wearing the green hats to remind you of all the GREENBACKS you'll save if you buy during the 17 HOURS today and tomorrow!

BREAD BROUGHT FROM ERIN

St. Patrick's Day is such a marvelous excuse to celebrate and one doesn't have to be Irish to enjoy the festivities. The food and drink of the holiday is good fare and fun for all.

In every country the native bread has a special meaning. This is true of Ireland and their delicious breads. In my efforts to duplicate this quality of Irish made bread using the Irish recipe I have confronted nothing but failure. I finally realized the flour in our country is milled differently than Irish milled flour. The two products are quite different. The only thing one can do to make a good Irish bread in the USA is to adopt the recipe for our products.

The Irish tend to use a coarse ground whole wheat flour for their dark bread. The famous Irish Soda Bread calls for a white flour (although it is not highly refined). The other kind of bread frequently served in the Isle of Erin is oatmeal bread. This, too, is a bread of coarse texture.

To bring a bit of Ireland to your St. Patrick's Day feast, I suggest an adaptation of some of their best breads to make one. This is the Irish Soda Oatmeal Apple Bread.

- | | |
|---------------------------------|---------------------------|
| 3 cups chopped pared raw apples | 1 teaspoon salt |
| 1/2 cup water | 1 teaspoon cinnamon |
| 1 cup brown sugar firmly packed | 1 cup uncooked oatmeal |
| 2 cups white flour | 1/2 cup seedless raisins |
| 1 teaspoon baking powder | 2 eggs, beaten |
| 1 teaspoon baking soda | 1/2 cup melted shortening |
- Combine apples with water and 1/2 cup sugar. Cook for 5 minutes, cool. Combine flour, salt, soda, baking powder and spices. To flour mixture add remaining brown sugar, raisins, oatmeal and nuts. Add apple mixture, eggs, and shortening. Stir only until moistened. Pour into 10 inch tube pan and bake at 350° for 40 minutes. Cool for 10 minutes and remove from pan.

WHAT'S THE OLD SONG SAY?

"Anything you can do—I can do better."

Well, we aren't that cocky, but let's say we can do it just as good. There has been a lot of conversation about price cutting. Price cutting to us is old hat, but we have been doing it for over 22 years. Our policy has always been: "We will not be undersold," and we intend to continue that policy. If you will continue to read our ads and shop our stores, you will see what we mean.

Sincerely,
TRI-CITY GROCERY CO.

SOCIETY

Webster Adopts Pupil Aid Plan

Police Detective Joseph Nemeth spoke to the Webster PTA Monday on the school block protection plan, and the school decided to take part in the program.

Officers for 1967-68 were elected. They are Miss Elsie Girard, president; Mrs. Mae Lee, vice-president; Mrs. Betty Woodruff, secretary; and Mrs. Shirley Tolman, treasurer. They will be installed at the May meeting.

Mrs. Helen Frasier, PTA president, announced that Webster Boy Scouts will hold a fish fry at the school April 7.

Selections were played by Webster band students, Burt Hand, Tommy Mathias, Harold Pool, Terry Wylie, Marjane Ellisworth, Pamela Clay and Karen Lee.

The meeting opened with a flag ceremony by Girl Scout Troop 704 and Clyde Lee, principal, gave the PTA prayer. Reports were given by Jack Cook, Mrs. Mae Lee and Mrs. Mary Jane Barnhart.

Louis Mehelic's sixth grade room won the attendance banner for this month.

Brownie and Girl Scouts from Troops 704, 28, 889, and 198 entertained with songs.

Refreshments were served by third grade room mothers.

Maryville PTA Retains Officers

Election of officers for 1967-68 took place Tuesday evening at the Maryville school PTA meeting. All were re-elected except the vice-president.

Mrs. Mary Church, president, Mrs. Susan McManis, secretary, Mrs. Laverne Malzynski, treasurer, and Guy Lohr, vice-president, will be installed at the May meeting.

Triad Supt. C. A. Henning spoke on the junior college election April 1, two candidates for the school board, Morris Miles and Dr. Eugene Walton, also gave talks.

The attendance banner went to Mrs. Virginia Evans' kindergarten and Edwin Markel's second grade room. The evening's prize went to Harold Brandon. Refreshments were served by third grade room mothers.

Party Honors Dennis Turk

Dennis Turk, 2321 Edwards street, celebrated his sixth birthday Wednesday afternoon at a party given by his mother, Mrs. Pat Turk.

Present were Tommy Johnson, Steve Bailey, Robbie Hinds, Brian Howell, Timmy Isaak, David Kozlowski, Charles Meszaros, Mary Siebert, Wendell and William Walker, Richard Werth, Jack Chapline, Carla Clemons, Betty Duffield, Ruth Ann Johnson, Lor Nemeth, Lynn Rutledge, Lisa Smith, Lisa Wolf, Cheryl York, the honoree, his grandparents, and Mrs. Orville Dally and Mr. and Mrs. Joe Turk and Mr. and Mrs. Robert Conraue and family.

Mr. and Mrs. Gerald McBerry and daughter, Jim Dally and Mrs. Mary Kristian.

'COME AS YOU ARE' RUTH CLASS PARTY

The Ruth class of Third Baptist Church held a "come as you are" party Tuesday evening in the home of Mrs. V. Wallace, 2916 Madison avenue. The hostess used a St. Patrick's decoration theme and served a desert course to 17 members.

Mrs. Thelma Peterson, president, presided. Mrs. Irene Galanoff and Mrs. Juanita Brown offered prayer and reports were given by Mrs. Wallace and Mrs. Mildred Nash.

In April the members will collect articles needed by children at the Carmi Children's Home. Games were played and the prize went to Mrs. Peterson.

Next meeting will be April 11 with Mrs. Blanche Blake, 201 Cleveland Blvd. Present were Mesdames Pearl Benson, Betty of DeMolay, in the new Gothic Masonic Temple in East St. Carmack, Julia McLean, Helen Redford, Velma Elmore, Jerry Short and a guest, Mrs. Margie Wyatt.

ST. MARK'S PARENTS PLAN BARBECUE IN MAY

A monthly meeting of St. Mark's Parents and Friends was held Tuesday evening at the church basement in Venice. The president, Mrs. Jeannette Woodrume, presided.

A report was given by Mrs. Kathy Heagy and tentative plans were made for a barbecue in May.

A nominating committee appointed will consist of chairman, Mrs. Margaret Lee, and Mrs. Ruth Williams, Mrs. Hattie Malnik and Mrs. Lil Mangiaracino. Refreshments were served by the hostesses, and prizes were awarded.

Hostesses next month will be Mesdames Lena Georgeff, Kathy Heagy, Woodrume, Yvonne Kittel and Mary Ann Cook.

Job's Daughters Aid to Crippled

At a Bethel 43 Job's Daughters meeting Tuesday evening at the Masonic Temple, with Miss June Fowler, honored queen, presiding, a "Bonds for Braces" program was held in honor of Roy Willmzig, potentate of Almad Temple.

Honored queens presenting checks for the project were Jeanie Jones, Highland, Bonita Smith, Collinsville, Mary Hamilton, Lebanon, Gail Eble, Wood River, Beverly Maxwell, East St. Louis, Cheryl Kiehlberg, Columbia, Martha Cress, Edwardsville, and Peggy Schmalensee, Belleville.

Dr. Amos Rode introduced Willmzig and Jack Dempsey, inner guard, who in turn introduced Harry Wood and Harry Lutz. The latter two presented each of the Bethels with a certificate commending them for their donations for crippled children.

Among others introduced and escorted were past honored queens of Bethel 43, Mrs. Elsie Rodell, Mrs. Eleanor Todoroff and Miss Lydia Teller; Mrs. Edna Baskette, guardian, and Grand Bethel representatives, guardians and associate guardians from a wide area.

Refreshments were served by the mothers' club to 175. Next stated meeting will be March 28.

Beta Phi Chapter Holds Party

Beta Phi Chapter of Epsilon Sigma Alpha held a "Mad Hatter" party last night in the home of Sandy Cavar, where a pot luck lunch was served and games were played. An "Alice in Wonderland" theme was used.

Those attending were Ann Holson, Pam Wilson, Kathy Dohal, Gerry Mendez, Sue Sanabria, Mary Ann Dutton, Milton, Judy Dyer, Linda Giger, Betty Dick, Millie Clements, Donna Theis, Shirley Long, Norma Benroth, and a guest, Mary Seibert. The prize for the most original hat was won by Norma Benroth.

The chapter will hold an Easter egg hunt for the Granite City Aid to Retarded Association children at 1:30 p.m. to 3 o'clock Saturday at St. John United Church of Christ. Approximately 90 children are expected to participate. Entertainment will consist of cartoons and refreshments will be served.

A donation of \$50 was made at the Youth Department of the Granite City public library.

Iota Psi Chapter Elects Officers

The following new officers were elected last night at a meeting of Iota Psi chapter of Beta Sigma Phi in the home of Dorothy Simovic.

Mrs. Marty Herman, president; Mrs. Pat Takmajian, vice-president; Mrs. Jo Ann Macias, secretary; Mrs. Carol Catho, treasurer; and Miss Jane Davis, extension officer.

Plans were made for a "Founders' Day" dinner April 24 with other Beta Sigma Phi chapters. Donations were made to the Endowment Fund and the Loan Fund of the International organization.

After the meeting a dessert course was served to those mentioned and to Mrs. Sally Stegelmeier, Mrs. Pat Winters, Mrs. Lois Mullens, Mrs. Marilyn Harris, Mrs. Joyce Corey and Mrs. Jo Ann Kaler.

St. Pat's Dance Is Planned

Moose Lodge 272 will hold an annual corned beef and cabbage supper Saturday evening, followed by a St. Patrick's dance in the club room.

Moose Governor Frank Rodgers Jr. also announced a ground clearing at the new Moose Home at 19th and Adams street, this weekend, weather permitting, and all members are urged to have their garden rakes.

DEMOLAYS ATTEND DISTRICT MEETING

Demolay's from Granite City attending a bi-monthly meeting of A.D. Manners Chapter, Order of Demolay, in the new Gothic Masonic Temple in East St. Carmack last night were James Naevie, Charles Hileman, Tim Noud, Michael Norton, Michael Sparks, Billy Watson, Bruce Hawkins, Steve Ebrecht and Robert Epping, accompanied by Charles Meyer, Dr. Amos Rode and Gilbert Watson, advisors.

Robert J. Harlan, director of Community Service of the St. Louis Cardinal baseball team, was the speaker and showed a film on the 1966 all-star game.

130 ATTEND POTLUCK DINNER AT ANCHORAGE

The Anchorage Senior Citizens held their first pot luck dinner of the year Wednesday with 130 present, including many of the new neighbors in the project and 12 guests.

On Wednesday the club will hold a social meeting and birthday celebration honoring several of the group.

GCIS Band 'Tag Days' Planned March 23-25

Preparations are under way for "Band Tag Days," a three-day fundraising drive conducted annually by members of the Granite City high school band. Tag days will be held next Thursday, Friday and Saturday, March 23, 24 and 25, it was announced by Louis Meek, band director.

Meek discussed the annual tag days Tuesday evening at a meeting of the Band Parents Association, held in the high school band room. Band members will be stationed in the downtown business district, suburban shopping centers and at plant gates.

Mrs. LeRoy Jung, who is coordinating the drive, said assistance in providing transportation for students to the areas they will solicit funds is being sought. Parents of band members willing to furnish transportation are asked to contact Mrs. Jung or Meek.

Meek also announced that the fourth program in the winter spring concert series will be presented at 8 p.m. Thursday, April 6, in the school auditorium. Local student-musicians also will compete the following day in the annual band festival.

Refreshments were served following the meeting to the members by Mrs. Porter H. Cawley and Mrs. R. Hoekstra.

Mrs. Niemeyer, 63, Found Dead at Home

Mrs. Gertrude Niemeyer, 63, of 2013 Benton street, was found dead in the basement of her home about 6:30 a.m. yesterday by her husband, Joseph Niemeyer. She was pronounced dead at the scene by Deputy Coroner Alvin Cease, who said death had occurred four or five hours earlier. An inquest is pending.

No notes were found by Mr. Niemeyer, who said his wife had been depressed for sometime. The couple had retired about 10 p.m. Tuesday. The husband said he awakened about 6:30 a.m. and began to prepare breakfast when he discovered Mrs. Niemeyer was not in her bedroom. He found her hanging in the basement.

According to the police report, Mrs. Niemeyer had first attempted to slash her throat, wrists and ankles in the bedroom with a kitchen knife and razor blade.

A local resident for 44 years, Mrs. Niemeyer was a native of Brussels, Ill. She was a member of St. Joseph's Catholic Church and the St. Joseph's Altar Society.

Besides her husband, she is survived by one son, Robert Niemeyer of Granite City; three sisters, Mrs. Olivia Foedderer of St. Louis, Mrs. Otto (Florence) Heidoerfer of Belleville and Sister Vanora of DuQuoin, Ill.; two brothers, Louis Pluym of Belleville and Al Vander Pluym of St. Louis; and seven grandchildren.

Funeral arrangements are given in today's obituary column.

Sfc. Sabo Cited for Heroism in Vietnam

Sgt. Arthur R. Sabo, Granite City, in the Army 21 years and in Vietnam since August 1966, has received a first oak leaf cluster to the Army Commendation Medal. It was announced this week. He also holds the Bronze Star.

As a First Infantry Division platoon sergeant in a "sweep and clear" operation Nov. 8, he displayed heroism by exposing himself to small arms and automatic weapons fire to assess the situation while his men were pinned down by the Viet Cong.

He then skillfully deployed the outnumbered platoon to rout, kill and capture the enemy and confiscate vital intelligence information, the award related.

He is the brother of Mrs. Richard Portell and Charles Sabo, both of 2924 Edgewood drive, John Sabo, 2708 Madison avenue, Mrs. Shad Craycraft, 3209 College place, Theodore Sabo, 2651 Adams street, and Harold Sabo, 124 Briarcliff.

Man Not Arrested

A headline relating to another article inadvertently was placed with Monday's report of a head cut suffered by Marvin Singler, Rural Route One. He was not arrested and involved in a traffic crash. The family was incensed pending possible litigation based on the injury.

Parked Car Damaged

A parked car owned by Larry Williams, 2662 East 24th street, was damaged at 11:45 p.m. yesterday when struck by a hit-run driver in the 1600 block of Fourth street, Madison. The hit-run driver fled west, police reported.

County to Act to Obtain Detention Funds from U. S.

The Madison county board of supervisors will attempt to obtain a 50% federal matching grant to help finance its new juvenile detention home, it was decided at a board meeting, Wednesday morning.

The board agreed to send James Reidelberger, chief probation officer, and State's Atty. Leon Scroggins to Washington, D. C., to determine the methods that will be required to apply.

The government has set aside \$25 million in the next fiscal year to finance the proposed Juvenile Delinquency Prevention Act of 1967 now in Congress and is expecting passage.

Scroggins told the board that the county is in a unique position for the grant as it already has its 50% contribution available and has preliminary plans for construction of the \$500,000 project. "We hope to be the first on the list," he added.

It was decided that the trip to Washington would be necessary after conferring with U. S. Rep. Melvin Price, he told the board.

Form Steering Group
A resolution was adopted to have the rules committee propose a steering committee of 10 board members to consolidate information on major problems to be assured that all board members would be acquainted with proposals before they are placed before the board.

Questions could be answered prior to board meetings, it was noted. Action is to be taken at the April 24 reorganization meeting of the board.

Amendments to the agricultural and residential sections of the county zoning ordinance, proposed and recommended by the zoning board of appeals last summer, were adopted. Most changes are administrative.

A \$25 monthly salary increase was approved for Dr. Joseph B. Helms, veterinarian and county rabies inspector, who had been receiving \$3000 per year, to bring him in line with pay hikes given other county employees last Jan. 1.

The board appointed Mrs. Robert H. Lewis of Alton to the county mental health board to replace Jerry Starn, executive director of the Quad-City mental health clinic who is unable to serve because of his position.

Harry Briggs, Nameoki township supervisor, announced that the state's County Problems Commission will meet at 10 a.m. Friday at Southern Illinois University, Carbondale, to discuss reapportionment of county boards and sale of bonds for detention homes. The board is to be represented.

It was reported that the state will hold a public hearing on reapportionment on May 9.

Orvil Oglesby of Wood River township, a member of the legislation committee, reported that bills now in the State Legislature include one to authorize a levy of one cent for elections, and another which would amend the Dodge-Butler Act and permit the county to make a general fund levy of up to 10 cents or more.

He said a bill on the consolidation of townships was withdrawn this week.

The board adopted a resolution opposing a proposed bill on county mapping as it would remove local controls.

Milton Allen of Granite City reported that changes in county offices to follow the outside audit recommendations were progressing.

Greyhound Bus Lines has petitioned the Illinois Commerce Commission to increase its passenger fares and express rates by 10% the board was informed. The county tuberculosis sanitarium report showed 33 patients on Feb. 28, an increase of one during the month. The county nursing home had an average of 59 patients in February.

DeMolays Serve as City Officers, Observe Week

Members of the Granite City Chapter, Order of DeMolay, served as acting officials of the city yesterday in observance of DeMolay Week.

The members and their short-term titles are Reggie Teague, mayor; Terry Wafar, city clerk; Richard Lowe, comptroller; Charles Ringering, treasurer; James LaGrand, acting police chief; and James Fitzpatrick, acting fire chief. They were luncheon guests of their official counterparts.

DeMolays and their parents are to attend services in a group Sunday morning at the Emmanuel Baptist Church, 1800 Pontoon road.

A monthly meeting of the Ladies club was held Monday evening at the home of Mrs. Mabel McGee. Refreshments were served by the hostess and games were played, with prizes awarded.

Present were Mrs. Hazel Painter, Mrs. Lill Decker, Mrs. Naomi Boelling, Mrs. Celi McGee, Mrs. Myrtle Fields, Mrs. Audress Brown, Mrs. Sylvia Meyers and Mrs. Lucy Williams and Mrs. Ora Anderson, both of Granite City.

Next meeting will be April 10, with Mrs. Sylvia Meyers as hostess.

BRIDAL SHOWER HONORS
MISS CAROL HOUSDAN

Miss Carol Housdan, 1116 Greenwood street, Madison, was honored with a bridal shower Sunday afternoon at the YMCA, given by Miss Caroline Malherck, Mrs. Frances Brown, Mrs. Mary Mangiaracino and Mrs. Ida Housdan.

Decorations were in yellow and white, with the tables adorned with white tablecloths and yellow flowers. White miniature baskets were used as favors, and a large cake centered the refreshment table.

The gift table was decorated in the same theme and was centered by a large umbrella adorned with yellow and white bows and bells.

Miss Housdan was assisted in opening her gifts by her prospective bridesmaids, Miss Carol Chapman and Miss Marie Steiner.

Others seated were Mesdames Sarah Kreimer, Shirley Ochoa, Lena Georgeff, Ann Blair, Rose Housdan, Mary Jackovich, Elizabeth Sasich, Mrs. Miller, Rosina Mangiaracino, Rosemary Pabst, Betty Mangiaracino, Carol Mangiaracino, Pat Mangiaracino, Lorraine Gnterman, Jose Johnice, Jenny Knieja, Rose Richardson, Yvonne Kietel, Mary DeNatala, Rose Schultz, Angie Maniaci, Margaret Ferro, Angie Scaturro, Mary Svezia, Tillie McGarran, Angie Shambr, Angie Ydell, Delores Parker, Rose Ponce, Rose Scaturro, Donna Scaturro, Catherine Svezia, Rosemary Patterson, Lena Ponce, Gloria Fields, Katherine Buchele, Jane Ochoa, Judy Madrusic, Mary Scaturro, Delores Fecite, Lill Mangiaracino and Mary Ballue and Misses Diane Malherck, Joann Parker, Jackie Parker, Susan Ochoa, Karen Mangiaracino, Nancy Scaturro, Minnie Svoboda, Marilyn Gnterman and Jeannette Gnterman.

Cake and ice cream were served from decorated tables. Games were played and prizes were awarded to the winner.

Miss Housdan will become the bride of Joseph Mangiaracino, 1310 Robin street, Venice, April 1.

She received many gifts.

Palm Sunday Services

St. John Lutheran Church
St. Clair at Dale avenue
Rev. Samuel Boda, minister

Fifteen young people will be confirmed in their Christian faith on Palm Sunday at St. John Church.

They are Steve Foster, Thomas John Greco, Daniel Elmer Juedemann, Gregory Lawrence Thebeau, Jacqueline Annette Corbin, Kim Marie Cowan, Vickie Sue Gerkin, Susan Elaine Greco, Connie Marie Murray, Brenda Ann Parker, Heather M. Potter, Janet Eve Severine, Deborah Kay Smith and Debra Elaine Welker.

The confirmation service will open with a class procession at 10:30 a.m. Following the actual confirmation ceremony, all communicant members of the church will be re-confirmed in their Christian faith. Members of the Senior Choir, with Mrs. Mary Cell at the organ, will sing the anthem "Built on the Rock, the Church Doth Stand" by Lindemann-Brandon.

The class will enter into communicant membership of the congregation at the time of confirmation and will receive Communion for the first time on Maundy Thursday at 7:30 p.m. Members of the congregation also will participate in the Communion service at that time. Mrs. Cell is serving as organist for all of the Holy Week services.

SIU-SW Student Nurses Quiz Bowl Team of GCHS

To Start Here March 28

The first group of student nurses from Southern Illinois University-Southwestern campus to get clinical experience in medical-surgical nursing here will begin the 10-week program on March 28 at St. Elizabeth Hospital, it was announced today by Sister Mary Thomas, hospital administrator.

While student nurses from the university have been assigned to nursing units to get pediatric clinical training at the local hospital, this is the first time the student nurses are going into other fields.

The 21 members of the first class will be assigned in groups of seven to three of the hospital's five medical-surgical nursing units and will rotate from unit to unit to gain experience in medical, surgical and trauma nursing.

The groups will be at the hospital on Mondays, Tuesdays and Wednesdays on the first, second and third floors of the Binney Wing.

Instructors from the campus will be Miss Margaret Lesko, assistant professor, Mrs. Martha Boonmarin, instructor, and Miss Frances Kasick, instructor.

Role of Athletics In College Changing

A Southern Illinois University specialist in physical education listed a changing complexion of student views among factors that could affect intercollegiate athletics in the future.

Edward J. Shea, chairman of the department of physical education for men at Carbondale, spoke Tuesday at the 52nd anniversary convention of the American Association for Health, Physical Education and Recreation, meeting in Las Vegas.

Shea, whose remarks were before a division on physical education, said students are more serious and are less apt to be drawn emotionally into "the sidelines of the atmosphere which surrounds them than into the main tenet of life's affairs."

He said while intercollegiate sports of intense devotion on the athletic events will continue to be part of the general student body, they served the same purposes they always have in relation to the participant, it is not likely they will continue to attract the same depth of intense devotion on the part of the general student body.

Elks to Host Meggysy At Corned Beef Dinner

Husky Dave Meggysy, a four-year St. Louis football Cardinal veteran, will speak at the annual corned beef and cabbage dinner to be given by past exalted rulers for members of Elks Lodge 1063 at 7 p.m. Friday at the Elks home.

"Lots of entertainment and no long speeches" will be featured at the yearly event, a spokesman for the past rulers committee reports.

Meggysy, in addition to his summer and fall duties as a linebacker with the Cardinals, has given numerous talks to organizations in this region.

The 62, 200-pound grinder is a native of Cleveland and was a college football standout at Syracuse University. He earned three varsity letters there and finished his career with selection as a member of the East squad for the annual East-West Shrine Game.

Drafted by the Cardinals on the 17th round, he joined the squad in 1963. He was activated late in that season as a reserve linebacker.

Blessed with both size and speed, he also has shown excellent diagnostic ability, thus meeting all three basic requisites for a National Football League linebacker.

He has played all of the various linebacker positions for the Big Red and has been a star on the special teams, which handle such assignments as kickoff defense.

Married and the father of a child, he lives in St. Louis during the off-season and is working toward a master's degree at Washington University.

Rev. Hoffman to be Ordained on April 1

Rev. Patrick Henry Hoffman, a seminarian in Kenrick Seminary in St. Louis who is known here, will be ordained as a Roman Catholic priest at 11 a.m. April 1 at the St. Thomas Seminary Chapel, Hannibal, Mo., by Most Rev. Bishop Joseph M. Darling, CPSS.

He will celebrate his First Solemn High Mass of Thanksgiving at noon the following day in St. Joseph's Church, Elwood, Ind., his home parish. A reception will be held in the church hall. His parents, Mr. and Mrs. William F. Hoffman, reside there.

Rev. Hoffman for the past several years has been assisting Rev. Michael Skordinsky, pastor of St. Mary's Greek Catholic Church in Madison, to become familiar with the eastern rite. Members of the parish and friends are planning to attend the ordination by charter bus.

STORE MANAGER'S AVERAGE INCOME GROWTH AT GRANTS*
*Based on 1965 income data

GO WITH THE ONE THAT'S OUT FRONT...

★ IN GROWTH...
Grants sales since 1960 have zoomed, topping all major chains, with a sales increase of 280%!

★ IN OPPORTUNITIES...
This rapid growth means more new job opportunities! Grants appointed about 190 men to store management last year, and promoted approximately 390 men who were already store managers. All men successfully completing the Grants Management Training Program are assured of appointment to store management rank. The average time is 4 to 5 years. And, you earn while you learn, with increases as you progress!

★ IN INCOMES...
Grants pays the highest incomes in the distribution industry. A realistic goal for anyone entering Grants Management Training Program is \$25,000 a year. Men who manage our big, large volume stores earn from \$35,000 to over \$50,000 a year!

Bald Spots in Lawns Need to be Reworked

A lawn which has bald places can be restored to full beauty this spring by carefully reworking them, says James Tweedy, Southern Illinois University turf specialist.

Work up the small areas about three inches deep with a shovel and rake, seed rather heavily, keep moist during the germinating period with a blanket of mulch straw and frequent watering, and reroute traffic elsewhere, he suggests. Limestone application is essential if the lawn has not been limed, and adding organic matter can help lighten the soil after tillage. Covering the bare spots during spring fertilizer distribution should be sufficient, he adds.

Barren areas, often trampled by heavy foot traffic or used as recreational areas, offer a summer sanctuary to crabgrass and other invading weeds. Tweedy suggests alternating recreational areas and traffic routes, if they are necessary.

Although the entire lawn is fair game to crabgrass, Tweedy says the best defense is a good stand of turf which locks the door to this pest. However, certain herbicides offer an even better competitive advantage.

Silvex herbicides take care of chickweed, a spring pest, and the amine form of 2, 4-D defends against dandelions and buckhorn. Tweedy says since silvex and 2, 4-D can damage

nearby plants, it is most important to read the labels and follow low directions.

Crabgrass which has not developed beyond the three leaf stage by the time bluegrass is five to six weeks old disappears after proper application of ammonium arsenate (AMA) or disodium methyl arsenate (DMA), until it soaks the soil six inches deep. Such water en-

label directions and precautions encourages deeper root penetration to avoid injury to desirable plants.

Tweedy offers no set lawn mowing schedule. The frequency depends on the growth rate. "Do not let Kentucky Bluegrass, the most common variety used in southern Illinois, grow much over three inches high and do not mow it shorter than an inch and a half," he advises.

Special Services Set At Trinity Methodist

Rev. Clair Clark, minister of Trinity Methodist Church, East 25th and Henry streets, is announcing a series of special preaching services March 28 through April 2 at 7:30 each evening under the leadership of Rev. Gerald Gulley, pastor of First Methodist Church in Lawrenceville, Ill.

Rev. Gulley, the son of a Methodist minister, was trained at Asbury College and Garrett Theological Seminary and has been in the ministry for 25 years. He has a son Gerry, now a student at Garrett Theological Seminary.

Music will be under the direction of Mrs. Wanda Koffel, director of music at the church. The public is invited to the services.

Enlists in Marines, To Leave Next July

Thomas H. Hall, son of Mr. and Mrs. Albert J. Gaudette, 2204 Giville avenue, enlisted in the Marine Corps on a 120-day delay program, Sgt. Isaac Pickard, local recruiter, announced. A senior at Granite City high school, Hall will graduate in June and will report for eight weeks of recruit training at Camp Pendleton, Calif., and after a 30-day leave, he will report

Mecca Proposes Possible Change In Action Policy

Possible revision of the action policies of Mecca-Metro-East Chambers of Commerce Association was discussed in a regular bi-monthly session of the organization at Belleville Monday night and will be the subject of further study by a specially appointed committee.

The discussion involved primarily continued operation of the association under its present by-laws, which limit it to action approved individually by the Chambers of Commerce that make up its membership, or revision of the by-laws to permit action by the group as a whole. Some members pointed out that under present policy, which requires issues discussed in Mecca meetings be taken back and presented to the individual Chamber membership for approval or rejection, no action can be taken by the body in less than four months time in many instances. The association meets every two months. On occasions it requires more than one meeting to acquire a majority of opinions from membership chambers.

Social Committee Named
No conclusions were reached Monday's session, held at Augustine's restaurant in Belleville, but Mecca President George Berry of the Wood River Chamber of Commerce named a special committee of three members to study the association's by-laws and present recommendations at the next meeting in May.

Appointed to the committee

Early Medicare Application Advised for Those near 65

An early application is advised by Ralph Brasher, district manager of the East St. Louis social security office, for all persons approaching age 65 who wish full medicare coverage.

"The best time to apply," Brasher said, "is in the three-month period before the month in which one reaches 65. During this period an application for medical insurance benefits, which supplement the basic hospital benefits under medicare, will be effective at age 65. Later

when Mel Stonecipher, president of the East St. Louis Chamber of Commerce, Dr. Robert Elliott of the Alton Chamber and Earl Jukes, immediate past president of Mecca and representative of the Collinsville Chamber.

Four Chambers of Commerce were presented new certificates as cooperative offices of the U. S. Department of Commerce during the meeting. The presentations were made to the Tri-Cities Chamber of Commerce, received by Chamber president Howard Kaseberg, and to Chambers of Commerce of East St. Louis, Alton and Belleville.

A. L. Rascher Jr., director of the Commerce Field Office in St. Louis, and William Hodge, also of the St. Louis office, presented the certificates. Rascher said the department has enjoyed excellent cooperation with Chambers of Commerce organizations in pooling resources resulting in benefits to area business.

135 Attend Annual Awards Dinner for Glik's Stores

The annual service awards dinner of Glik's Department stores served a dual purpose this week, as the firm's president, Joseph Glik, also opened the eighth store in Belleville.

The dinner was held at Augustine's in Belleville with 135 persons in attendance. Special recognition was given by Mrs. Morris Glik to Mrs. Merle Harrold, who received an engraved watch for 30 years service at the headquarters store in Madison.

Other local persons receiving honors in the form of long-service lapel pins included Jo-

seph Richardson of the Madison store who was given a diamond-studded pin for 40 years service. Recipients of 30-year pins were Joseph Gregg and Mrs. Harrold, while David Leipziger was given a 15-year pin.

Ten-year pins went to Mrs. Jennie Ross, Mrs. Mildred Stanek, Mrs. Helen Richardson, Mrs. Mary Baumberger and Mrs. Eva Shepard.

Those receiving five-year pins were Wayne Scannell, Mrs. Johanna Collett, Mrs. Frieda Yates and Mrs. Mildred Sherman.

Old Phonograph Records Needed at SIU-SW

Anyone with old phonograph records or sheet music and the of the Madison Rotary Club's perplexing problem of what to "Harvest of Books" being done with them can aid the Friends of the Library at the new University-Southwestern campus, said that the library is vitally interested in old phonograph records for use as source material.

Records should be submitted by Miss Mabel Murphy, Fine Arts Librarian at the University, at the address of these old records can be put to good use in the library by students doing research papers on such things as humor, music, early artists and the development of the recording industry.

Types of phonograph records wanted include all old humorous records, either spoken or sung, such as the "Two Black Crows," along with Amos and Andy, Uncle Josh and Aunt Nancy, or "The Preacher and the Bear."

Among the types of musical records wanted are old jazz records of the 1920s and 1930s, and all single-faced Victor and Seal records, those made prior to 1918 and all old or new spoken word records which include humor, music, early artists and the development of the recording industry.

"Stuck away on a shelf at home, the records are useless," says Murphy. "This project is a collection safely kept in a library, they become valuable resource material. The same is true of old sheet music typical of a certain period, for the sons and music of an era are part of its history."

Persons having such old records or sheet music or even collections of musical scores may take them to collection depositories—all Madison and Venice schools and the Community Center in Lincoln Plaza or Washington Theatre through March 25.

Granite City school district students are to take their books, records and oldtime magazines to their schools tomorrow, March 17.

House-to-house collections for the "Harvest of Books" will be made this Saturday by Boy Scouts of the University district throughout the Quad-Cities. Notices of Saturday's canvases were distributed to homes during the weekend and early this week.

Retail Merchants Plan Annual State Meeting

Plans for the annual meeting of the Illinois Retail Merchants Association (IRMA) that will include three nationally-known speakers, were announced today by Joseph T. Meek, association president. The event will take place April 12, at the Sheraton Blackstone Hotel in Chicago.

The speakers will include Clarence T. Lundquist, administrator, Wage-Hour Division of the U. S. Department of Labor, who will address a 12:15 p.m. luncheon; and George W. Koch, president of the Grocery Manufacturers of America, who will be the principal speaker during the dinner session at 6 p.m. in the Mayfair Room.

Others scheduled to address the conference are Harold S. Blackman, chief, Division of Regulation, Federal Trade Commission; Washington D. C. Donald Greve, board chairman of Sequoyah Carpets, Andarko, Okla.; Allen B. Joseph, Chicago marketing representative for IBM; and William Clark, financial editor of the Chicago Tribune.

Shoplifter Arrested

A juvenile was arrested on a shoplifting charge at the Army Surplus store, 19th street and Niedringhaus avenue, at 7 p.m. Monday. He had taken a black leather belt.

Pupils Exchanging Data With Class In Philippines

Twenty-seven fifth grade students at the G. W. Niedringhaus grade school, 29th and State streets, are building international friendship with their counterparts in the Philippines.

Under the supervision of their teacher, Mrs. Mary Borgers, they have exchanged booklets, maps, letters and school projects.

People, Inc., as part of its school and classroom activities.

"The program has strong educational value," Mrs. Borgers comments. "This project was designed to build students' interest in geography, history, language and culture of the Philippines and, more important, to create an awareness of the people in other countries."

People-to-People officials report that more than 2,000,000 students in 90 countries are participating in the program. The program was developed to be flexible and practical for all grade levels.

Purpose of the exchange is to stimulate international good will and to teach students how to communicate with those who speak different languages and follow other customs.

People-to-People is an organization dedicated to promoting international understanding. Conceived by President Eisenhower in Lincoln Plaza or Washington Theatre through March 25.

Granite City school district students are to take their books, records and oldtime magazines to their schools tomorrow, March 17.

Draft Call for Two Local Youths Friday

The Quad-Cities' fourth draft call of the year is scheduled to take place in the classroom of the county selective service office in Edwardsville for armed forces induction.

There is no local quota for induction physical examinations this month.

So far this year, 16 Quad-Cityans have been drafted including six in January, and 10 youths in two draft calls during February.

Mrs. Nancy York, 85, Dies: 44-Year Resident

Mrs. Nancy Jane (Dartt) York, 85, of 2011 Harris street, died at 6:05 p.m. Monday at St. Elizabeth Hospital, where she was a patient 12 days. She had been in failing health for the past three months.

Mrs. York was born in Enfield, Ill., and had lived in Madison for 44 years. She was a member of the Central Free Methodist Church of Granite City. A son, Ralph York, died in 1960.

Among her survivors are two sons, Ray York of Madison and Tom York of Granite City; one daughter, Mrs. Joseph (Ruth) Kowalski of Madison; eight grandchildren; ten great-grandchildren; and two great-great-grandchildren.

Funeral services were held today. Arrangements are given in today's obituary column.

Seaman Kalips Calls Home from Vietnam

Mr. and Mrs. Leo L. Kalips Jr., 614 Niedringhaus avenue, received a surprise radiophone call last week from their son, Seaman Leo L. Kalips, U. S. Navy, who is stationed with the Seabees at Camp Haskins in South Vietnam.

Mrs. Kalips said the call, which came through at 2:30 p.m. Friday, was relayed by the Seabee unit via radio communication from Vietnam to Port Hueneme, Wash., and across the continental U. S. by regular telephone channels.

Seaman Kalips, 21, arrived in Vietnam for his second tour of duty last October. Previously, he had served in Vietnamese coastal waters for one year aboard the attack transport vessel, USS Calvert.

The local serviceman told his mother he had been assigned to the Seabee battalion as a radio operator. He reported the Seabees are kept busy constructing landing strips and other military installations, plus rebuilding roads and homes of Vietnamese civilians whose villages have been destroyed.

Seaman Kalips said he enjoys hearing from his friends at home and is looking forward to being re-assigned stateside in June, when he expects to return to his regular duty station at Davisville, Rhode Island.

He attended Granite City high school and enlisted in the service 31 months ago.

Jaycees to Learn About Governmental Agencies

The Granite City Jaycees are starting a community development program with delegates of the young men's service group attending sessions of taxing agencies, it was announced this week by project chairman, Don Seebies.

Starting Monday evening, Jaycee representatives will attend meetings of the city council, board of education and Granite City park board. Partney explained that the objective is to provide all club members with current, first-hand information on activities and problems facing the various taxing bodies.

Those assigned to attend local governmental meetings include: City council, Monday, March 20, Don Seebies, Cliff Jones, Larry Patton and Boyd Presley; March 27, Basil Campbell, Ernest Darrell, Walter Milton and Jack Ritchie; and April 3, Ted Nicolson, Marvin Boyer, James Jeffries and Arthur Moser.

Norman Stewart and Howard Ebertson are to attend the Granite City school board meeting, March 22, while Richard Domitrovich and Vernon Johnson are assigned to the March 22 meeting of the Granite City park district board.

Morris Miles, chairman of the "Get Out and Vote" campaign for the April 1 Junior College District referendum, said today, the Granite City Jaycees will

provide 15 judges to man the added.

Church Rental Near School To Be Resumed

Due to increases in the number of second and fifth graders expected at Nameoki grade school next fall, the Granite City school board Monday voted to rent two Emmanuel Baptist Church rooms last used by the nearby school in 1962.

Classes will be reassigned within the school, enabling kindergarten groups to meet in the church building.

Rent will total \$1125 for 1967-68, compared to \$1000 previously, with all other conditions the same as in the past, including school payment of five-sevenths of utility costs and \$75 monthly for custodial services.

Concession Building

It was decided to revive study of proposed construction of a concession and restroom building at the high school football stadium. Detailed plans have been prepared by students but are to be altered to reduce the estimated building cost.

Because a present Mitchell school fire alarm does not connect all wings of the building and because remedial work will fit into that required by the Illinois Life Safety Code, it was decided to seek bids on fire alarm im-

provements for action at the April 10 meeting.

Again this June, closed-circuit television will be installed in the GCHS auditorium to accommodate those unable to crowd into the gymnasium to witness graduation ceremonies. Cost will be about \$200, paid from a fund created by trading in old graduation caps and gowns.

Equipment Bid Awards

Acting on bids, the board purchased \$7706 worth of music equipment from six firms, including \$3830 from Johnson Music Co. and \$3181 from Schmitt Music House.

Vocational shop equipment bid awards amounted to \$2171 from nine companies, and locker purchases totaled \$985 from Republic Steel and \$433 from Medart. Yearbooks will be printed by Walsworth Publishing Co. for the high school and Intercollegiate Press for Coolidge junior high.

Public to Visit New Grade School Sunday

Dedication of Parkview grade school, 3200 Maryville road, will take place during a public open house from 2 to 4 p.m. Sunday. All residents of the Granite City school district are being urged to attend and tour the school.

Access to the school is from Stratford lane or Clark avenue on the north and from O'Hare avenue on the south.

The dedication will begin with a brief program at 2 p.m. Sunday in the gymnasium. Afterward, refreshments will be served in the dining room and visitors will inspect the building, which was designed by Architect Virgil Dulgeroff. Leo Wolf

Bills paid totaled \$36,190 in the education fund, \$97 in the federal fund, \$15,442 in the building fund, \$30,376 new construction (including \$30,849 to Leo Wolf for general work on Grigsby junior high and \$17,001 to Welch Electric Co. for electrical work at the same school), \$22,872 transportation fund and \$36,876 payroll for February totaled \$495,241 in the education fund and \$3874 in the building fund, and travel allowances amounted to \$464.

Prayers will be offered by Rev. Carl L. Johnson, pastor of Peace Lutheran Church, and Rev. David B. Maxton, pastor of the First United Presbyterian Church.

Guests introduced will include representatives of the Area PTA Council, Parkview PTA, education organizations and the Granite City park district.

Parkview school was placed in operation this fall and serves an enrollment of 450 kindergarten through sixth grade pupils. It is adjacent to Worthen Park, and school and park facilities are shared by the two districts.

1789 Registrations Since Last Election

A total of 1789 Madison county residents registered to vote from last November's general election until March 6 when the registration period was temporarily closed, Miss Eulalia Hotz, county clerk, announced.

Miss Hotz said that in addition her office received 1281 changes of address from all over the county. The new registrations and address changes included returns from special registration centers conducted in different parts of the county by the clerk's office. No breakdown of registration figures by township is yet available, Miss Hotz said, pending preparation of the registration books for the approaching April 4 township elections.

Under revised state laws voters must be registered to vote this year in township elections which, in the past, required only a registration by affidavit at the polling place on the day of election. Persons voting in the school elections on April 8 also must be registered.

Miss Hotz said the registration period is now closed and will remain so until April 6, two days after the township and Granite City municipal elections.

EDITORIAL

Close Relatives as Dependents

By JAY G. PHILLIPS
District Director

explained in the 1040 instruction booklet.

This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions frequently asked by taxpayers.

Q—Is the \$3 a month I pay supplementary medicare insurance deductible?
A—Yes, this is considered an allowable medical expense along with other premiums paid for hospital and medical insurance.

Q—I took a net loss of more than \$100 on some stock I sold last year. Since I can only deduct \$1000 of the loss on my 1966 return, do I lose the rest of it?
A—No, the excess over \$1000 may be carried over to future tax years.

Q—I just started work last year and am still waiting for my Social Security number. What should I do about my return?
A—If you have not received your number by the filing deadline and in your return without it, indicate that you have applied for the number in the box where it should be entered.

Q—My wife lives separately. I support my mother's brother but my friends tell me I can't claim him as a dependent since he does not live with us. Is that right?
A—A person does not have to be a member of your household to be claimed as a dependent if he is closely related to you. The law considers an uncle to be a close relation. Therefore, he is not required to be a member of your household.

Remember that other requirements for a dependency claim must be met, too. These are the gross income test, the citizenship or residence test, and the joint return test. They are all in that right.

Q—Where should I send my return?
A—Page 10 of the 1040 instruction booklet and page 8 of the 1040 instruction booklet should show where you should send your return.

Q—Is a prize considered income?
A—Yes, it is. If the prize is not cash but is merchandise instead, the gross income value at the time received as the amount to report on your return.

50 YEARS AGO

MARCH 16, 1917

Morgan J. Masters was nominated for mayor on the Independence Party ticket in the primary election. The unofficial returns show that he defeated Ed Price, his nearest opponent, by 246 votes.

Guy L. Teathering won the nomination for city treasurer over W. B. Sageser by a narrow margin of 15 votes. Mr. Teathering also won the nomination for superintendent of streets and in the third ward race, John McLeod defeated Stanley Hollis by only four votes.

Most industries of the Tri-Cities will be able to keep in operation, the title goes to that era not longer than a week.

25 YEARS AGO

MARCH 16, 1942

In its annual report to stockholders, the Granite City Steel Co. reports a net profit amounting to \$479,000 on net sales totaling \$1,682,000 in 1941. This is an increase of \$121,250 over the net profit of \$350,750 in 1940. The company's earnings per share were \$1.67, compared to \$1.67 in 1940.

Women from the Ninth District, including Mrs. E. E. Allen, Mrs. J. H. Allen, Mrs. J. H. Allen, and Mrs. J. H. Allen, were present at the annual meeting of the Granite City Steel Co. The meeting was held at the hotel and was attended by a large number of guests.

Emphasis on Patronage in State Governmental Hiring for Years

By KATHY CLECKNER
University of Illinois Student

One afternoon while a reporter was interviewing George Boen, personnel director for Gov. Otto Kerner, the telephone rang and he answered it.

After a few minutes of general conversation, they got down to politics and Boen asked:

"Is he a good Democrat? Fine, I'll see if I can get him in."

After Boen hung up he said it was not unusual for him to get calls like that from persons all over the state who are looking for work. "I simply try to find the right man for the right job," he said.

"Right Man Defined"

By right man, however, Boen did not mean the most qualified, but rather a good party man who will bring in a substantial number of Democratic votes at the next election.

Boen, who holds one of the most important political positions in the state, fills the 10,000 patronage jobs which the governor is granted by his office.

Patronage has existed in Illinois as long as Illinois has been a state. It always has been condemned by the party out of power and lauded by those in power.

Goal—End of Patronage

In 1955, the personnel code was passed in an attempt to eliminate patronage and to unify the fragmented administration under three departments: the department of personnel, the department of public safety, and the department of public works.

The personnel department, headed solely by one director, is supposed to coordinate all of the operating agencies throughout the state in personnel procedures and practices, recruit, hire, and employ on a basis of competitive examination, and set uniform conditions of employment such as holidays, vacations, sick leave according to seniority and pay scales.

The personnel director, besides supervising the procedures department and the operating agencies, has the power to reclassify jobs into different payroll categories or exempt them from the merit system altogether.

He must have commission approval to exempt policy-making jobs, but not jobs requiring physical fitness. He therefore has the power to make patronage appointments in unskilled jobs.

When Robert Perz was appointed by Gov. William Straton in 1957 as director, both of them "ran a truck" through the personnel code, according to Thomas Page, associate professor of the Institution of Government and Public

Administration. "You just can't legislate integrity,"

Retain Limited Medical License For Emergency Room Assignments

Senate Bill 4751 should be defeated in the Illinois legislature. It would undo the progress made in years ago when rules were eased to permit non-citizen medical doctors to work in hospital emergency rooms.

Emergency service at hospitals is filling an expanding role, and the required doctors have been harder to obtain in Illinois than in Missouri due to differing regulations on their training.

Thanks to the 1965 law, St. Elizabeth Hospital has had greater success than before in providing a doctor on an around-the-clock basis. And in permitting aliens to accept such positions, the state made no sacrifice in its high standards of knowledge and experience.

The new proposal would throw out the provision that a doctor not eligible for naturalization could instead take a loyalty oath. It would deny non-citizens the right to a limited license to practice in hospital emergency rooms, despite the fact that they meet all requirements for other citizenship.

With the need for competent doctors continuing and growing, enactment of Senate Bill 4751 would be an unjustified step backward for Illinois.

Technology Can Harness Energy, Intellect For Peaceful Progress

People will increase faster than food production and survival will always be limited to the fittest. Malthus and Darwin gloomily predicted more than a century ago. Not so, says R. Buckminster Fuller, SUI design research professor and inventor of the geodesic dome, speaking at the local university.

"The false ideas that there isn't enough wealth to go around and that the strong must take from the weak" have shaped foreign policies and led to many wars, he points out. They ought to be changed because they not only exact a cruel toll from countless people but also are inefficient. "It takes an average of 22 years for the world to benefit generally from the technological progress of warfare."

Hailed as the "greatest living genius of industrial-technical realization in building" and as the "great re-educator," Fuller conceived the uncertainty of science differs from the uncertainty of human nature.

He is convinced that economic and physical circumstances could be improved for all if mankind would bring its thinking more in line with what scientists have learned about the universe. Examples cited were Einstein's findings that energy is indestructible, taking the form of mass or energy but never being used up, and the development of computers, in effect extending people's brain capacity and memory so they can deal with the comprehensively rather than in a specialized, limited way.

Because energy never decreases and because man's increasing intellect continually improves his organized ability to harness energy, Fuller believes man is gradually approaching a civilization with "complete wealth," wealth being defined not as gold but as the ability to generate and guarantee forward progress.

It is a refreshing outlook that does credit to his perceptiveness and buoy the hopes of everyone, contingent only on continued dedication to the cause of peace and progress. Fuller believes that technology must be used "for the benefit of man rather than toward his destruction."

Prompt U. S. Court Action Needed

On Pending Reapportionment Cases

It is encouraging to see high-level support for extending "one man, one vote" representation to all levels of government, but unfortunately that four pending federal court cases may prevent Illinois legislative action this year. We hope the U. S. Supreme Court deals promptly with the four city and county redistricting suits currently awaiting ruling.

Rep. William Redmond of Bensenville and other Democrats last week introduced state bills that would require Illinois county boards to redistrict and reduce their membership this year or next year.

On the same day, U. S. Solicitor Gen. Thurgood Marshall urged the U. S. Supreme Court to extend its 1964 reapportionment doctrine to all governmental units. The landmark Reynolds decision required that both houses of state assemblies be based on districts substantially equal in population.

Girl Scouts Observing 55th Anniversary

More than 14,000 Girl Scouts from the River Bluffs Girl Scout Council this week are joining with hundreds of thousands of other girls throughout the nation in celebrating the 55th anniversary of the Girl Scouts of America.

In recognition of "National Girl Scout Week," which continues through this weekend, hundreds of local Girl Scouts ranging in age from seven to 17 will take part in numerous activities.

The week-long observance will be climaxed with a tree planting ceremony at 10 a.m. Saturday at Mitchell Park, and by scout leaders, delivering "bunny boxes" Sunday to patients at Alton State Hospital.

As part of the 1967 celebration, local scouts will plant a tree in the new Mitchell Park, located two blocks south of the Mitchell Presbyterian Church, Greenway drive and East Chain of Rocky road. The park area, situated just off Greenway drive, was donated to the Mitchell Presbyterian Association by St. Elizabeth Church.

Mrs. Wilma Hancock, neighborhood two chairman, who is

supervising arrangements for the tree planting ceremony, said today that Brownies, Juniors, Cadettes and Senior scouts representing all troops in District Four are to participate.

A massed flag ceremony will initiate the proceedings at 10 a.m. Saturday, led by members of Junior Girl Scout Troop 45 from Logan school, who will present the American and Girl Scout flags. Members of other District Four troops will bear their own troop flags, Mrs. Hancock explained.

Brownies troops will form a horseshoe around the site selected for the planting, with the Girl Scouts ranged in semicircles enclosing the younger girls.

Troops from Maryville school, directed by Mrs. Norma Whitaker, will sing "We Are Scouts," followed by Brownies singing "The Brownie Song," and Juniors, Cadettes and Senior Scouts singing "G for Girl Scout."

Joseph Troclee, Chouteau township supervisor, will preside at the tree planting, with each of the scouts to take part in the

ceremony by providing the pin oak tree with a cup of water.

Also scheduled to be present for the event is Wendell Corey, president of the Mitchell Park and Athletic Association; James Eaten, George D. Gibson, Ferd Segar and Harold Cain, Mitchell area precinct committeemen; a representative of the Mitchell volunteer fire department; and Miss Helen Canada, Girl Scout district advisor.

In conclusion, the entire assembly will form a double friendship circle to sing "Ash Grove" and "Taps" under the direction of Mrs. Doris Votaw, District Four chairman. Echo for "Taps" will be provided by Cadette Troop 234 of Prather junior high school, led by Mrs. Norma Walton and Mrs. Virginia Kessler.

Mrs. Hancock said the public is invited to view the ceremony. In other activities this week, handcraft displays are being exhibited at Goff & Dittman florists in Madison, the Ira King Market in Venice, the A&J Market and Dickerson Pontoon Cleaners at Pontoon Beach, the Ben Franklin store and Carps department store in Granite City.

Airman Gary Abernathy Re-enlists for 4 Years

Airman Gary D. Abernathy, a son of Mr. and Mrs. Howard Abernathy of Cape Girardeau, Mo., formerly of this city, has enlisted in the Air Force for another four years, according to word received by relatives here. He is a son-in-law of Mr. and Mrs. Harry Leffer, 2411 Lynch avenue. His wife is the former Sherry Leffer.

Airman Abernathy is a graduate of Granite City schools and after taking basic training at Lackland Air Force Base studied at Keesler AFB. He spent two years in Wiesbaden, Germany and is now stationed at Shaw AFB in Sumter, S. C. He is also taking a college course from the University of South Carolina to continue his formal education.

He is with the 78th Tactical Control Squadron and is a radio relay electronic specialist repairman. Before entering military service he was employed by Granite City Steel Co. Mrs. Abernathy and their daughter, Gail Ann, live with Airman Abernathy near the Sumter Base.

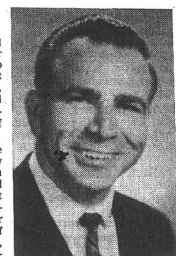

Registration Continues For Radiological Class

Registrations are being accepted this week from Quad-City residents interested in taking instruction as radiological monitors. Classes will be conducted from 7:30 to 9:30 p.m. each Monday for eight consecutive weeks starting Monday, April 2. Sponsored by the Granite City civil defense organization, the radiological monitoring course is the first of its type to be offered to the public here for the past several years. Harold Mayfield, local radiac officer, and Skiping B. Pellet will serve as instructors.

Persons who have completed high school science courses and who indicate a willingness to accept an assignment in the radiological division of the local civil defense unit will be given preference in enrolling for the course, Mayfield explained. Participation will be limited to 20 students who are required to be 18 years of age or over with a high school education or equivalent. Those interested may register by calling Mayfield at TR 7-4828 any weekday after 3:30.

David Slone Promoted To Specialist Fourth

David Slone, son of Mr. and Mrs. Lonnie Slone, 2305 Edwards street, recently was promoted to Specialist Fourth Class at Fort Bliss, Tex. A 1963 graduate of Granite City high school, Sp4 Slone enlisted in the Army in April last year. He is assigned to the accounting and financing department at Fort Bliss.

**To Live In...
To Grow In...
MARTIN ACRES**

If you enjoy country living, you should look into MARTIN ACRES. MARTIN ACRES is a fully improved area with paved streets and gutters, storm sewers, city water and gas, plus all underground utilities... no unsightly poles to mar the wooded surroundings. It's just 2 miles to Southern Illinois University, Edwardsville Campus and bus service is available for school children of all ages. For the golf buff, MARTIN ACRES is close to 3 fine golf courses and everyone will enjoy the shopping that is conveniently close by. St. Louis is just a short drive via the excellent interstate highway system to downtown.

The Byington in MARTIN ACRES is a large bi-level that features three twin-size cross ventilated bedrooms with floor-to-ceiling closets and a large ceramic tile bath on the upper level. There is a large formal living room and adjoining dining room just off the step saving kitchen with lovely Maple-Tone cabinets, a joy to any homemaker. The lower level features an area that can be used for an additional half bath, recreation room and laundry area. In addition, Dad will enjoy the two car garage that has an abundance of storage space.

WE ARE STILL STUDYING PHARMACY

When a pharmacist graduates from his College of Pharmacy (now it takes 5 years or more), he must pass a state examination to prove his knowledge, so that he can safely be trusted to compound and dispense drugs and prescriptions. At that time he is an expert on storage, uses, side effects and the incompatibilities of every medicine.

The next day, an entirely new drug discovery may be released. To keep up to date with these frequent new products we carefully read our drug journals, medical publications and pharmaceutical supplier's literature. Often a physician will phone us to find out if we have a new product in our prescription laboratory. The odds are we do, or we can get it the same day.

YOUR DOCTOR CAN PHONE US when you need medicine. Effect up your prescription if shopping nearby. A great many people entrust us with their prescriptions. May we compound and dispense yours?

Area's Township Budgets Down only \$2843

New budgets and appropriations of the four townships of the Quad-City area for the 1967-68 year total \$618,714, or only \$2843 less than the total of last year, a computation of appropriation ordinances showed today.

The tentative budgets have been posted for public inspection in offices of the town clerks of Granite City, Nameoki, Venice and Chouteau townships are subject to change in public hearings to be held late this month. Approval of the budgets and appropriations, as well as the 1967-68 tax levy, will be made in electors' meetings in the respective townships on April 4.

A substantial drop of \$26,980 was made in the combined budgets of all four townships for general assistance purposes, but the bulk of this was offset by increases in the town funds in three of the four townships, and in the road and bridge funds of the three townships that have such funds. Granite City township, because its boundaries are contiguous to those of the city,

has no road and bridge fund. Retirement Funds Up An increase also is shown in the total appropriations for municipal retirement funds, although the exact amount of variance in retirement fund items is open to question. Townships last year began transition of retirement fund appropriations from within the regular budgets to a separate fund account for that purpose only.

General assistance appropriations of all four townships totaled \$247,811 in the new 1967-68 budgets. This is a drop of \$26,980 from \$274,791 last year. Largest decrease in appropriated assistance funds was made in the Granite City township budget which sets \$68,988 for the new fiscal year, compared to \$114,238 a year ago. Supervisor Nelson Hagauer has requested its relief fund budget of \$21,810 from last year's \$25,230. Nameoki township shows the 1967-68 budget totals \$94,232, di-

vided almost evenly between the regular road and bridge fund, and the permanent road fund, in comparison to a total of \$88,712 appropriated last year. Chouteau made only a slight increase in its regular road and bridge and permanent road funds for a total of \$53,250 for the 1967-68 year. Last year the total was \$53,000.

The road and bridge fund for Venice changed only slightly from \$22,901 last year to \$23,141 listed in the new budget. Total municipal fund requirements for all four townships amount to \$19,010 in the new budget, compared to \$13,533 last year.
